Items of interest:

- * There are many paths to achieve goal if the student desires an Army Officer career path
- * ROTC Scholarship pays tuition/fees OR room & board up to \$10k per year ... several colleges provide both.
- * Not all colleges are equally competitive for 4 year & 3 year (4/3AD) ROTC Scholarships selections
- * Any Cadet may request conversion of scholarship at any time to guarantee Reserve duty (USAR/ARNG) as an officer after they graduate
- * 3 years of JROTC allows the PMS to give 2 years SROTC constructive credit ... but it does not prevent JROTC Cadet from starting prior to the junior year of college
