Thanksgiving

Thanksgiving is the appointed time for focusing on the good in our lives. In each of our days, we can find small blessings, but too often we overlook them, choosing instead to spend our time paying attention to problems. We give our energy to those who cause us trouble instead of those who bring peace. Starting now, let's be on the lookout for the bits of pleasure in each hour, and appreciate the people who bring love and light to everyone who is blessed to know them. You are one of those people. On Thanksgiving, I'm thankful for you. Happy Thanksgiving!

From Dougs Desk...

It's time to turn on your heat. Please remember when turning on your heat, because of the dust on the heating coils, there may be a smell of something burning and it could possible set off your smoke alarm. This is normal. Happy Thanksgiving.
