

## Day 21 Discussion Script: Hu, Grove, and Zhuang vs. Lin Yutang

---

**Leader:** Whose argument do you find more persuasive: Hu, Grove, and Zhuang's, or Lin Yutang's?

Why do their arguments seem to contradict each other? *Do* they contradict each other?

Are “collectivism” and “individualism” meaningful ways to describe cultures? Or do they just create stereotypes and misunderstandings?

*Some possible response templates:*

I find \_\_\_\_\_'s argument more persuasive because \_\_\_\_\_

It seems to me that \_\_\_\_\_

It strikes me that \_\_\_\_\_

To my mind, \_\_\_\_\_

I would argue that \_\_\_\_\_
