

*Dragon Ball R&R takes place between the end of the Majin Buu saga and the start of Dragon Ball Super. In those four years, there are many adventures that the children of Goku, Raditz and Vegeta get into. This is about them and the potential character development that may ensue.*

*Goten, Trunks and Ranch show off their power, their personalities and their potential in a time where the only major peril to Earth is if they're grounded or not!*

*Get ready for some slice-of-life action with a mixture of old and new characters based around the works of Akira Toriyama.*

*Dragon Ball R&R will be made up of 10-minute audio dramas with self-contained stories concerning Ranch, Trunks and Goten primarily. Other characters will be showcased as the series progresses as well as being side characters. However, the focus is on the kids due to popular demand during the 'What If Raditz Turned Good?' series of videos on the MasakoX channel.*

---

*This audition slate will cover the characters that will be introduced in Episode 2 of Dragon Ball R&R. Full instructions of how to submit auditions can be found at the end of this document.*

***IMPORTANT: Please only audition if you can commit to a long-term production. Recording shall be undertaken via online direction over Discord.***

***ALL MAJOR CHARACTERS will have a power-up scream at some point as well as fighting foley. Please confirm in your email that you can perform this task.***

## Gohan (M)

Age: 18

Warm, smart and naïve.

Gohan is the first-born son of Goku and Chi-Chi. In R&R he has continued to pursue his studies after attaining his Ultimate Form in the Buu arc prior to the events of the series. He is presently in a long-term relationship with Videl, the daughter of Mr Satan. They have moved in together in Satan City and have only just moved from the confines of Mt.Paozu.

Gohan is slowly discovering his independence.

1 – [cheery, slightly surprised] “Goten? Hah! I almost didn’t recognize you for a second! You look great!”

2 - [calming, sympathetic] “Hey, wipe away those tears, silly. There’s no need to be sad anymore. I’m always here for you.”

3 – [slightly embarrassed] “...well, to be honest, I’m quite busy at the moment. I’ve got my first conference coming up, and there’s a lot to get through. Videl is upset with me because I’m not getting enough sleep, apparently!”

## Piccolo (M)

Age: 21

Cool, wise and somewhat distant.

Piccolo is the former rival of Goku and the master of Gohan. In R&R, he has somewhat retreated from life once Gohan moved to the city. He is somewhat missing him but chooses to focus on meditation. He has not become a hermit and will soon revert back to a more sociable place in the group.

1 – [observing] \*looks at Ranch\* “You lost, kid?”

2 - [wearisome, learned] “Ranch, I know you’re a smart kid but you can be naive sometimes. Meditation isn’t something to be taken lightly. You have to focus your mind and concentrate. If you don’t, then you may as well be napping.”

3 – [thinking, panicked] “The tail, what can I use to cut his damn tail? A Special Beam Cannon? No, he’s moving around too much. Hellzone Grenade? No, that will get Gohan too. There has to be a way!”

## Krillin (M)

Age: 38

Kind, cautious and plucky

Krillin is Goku's best friend and the plucky member of the Z-Fighters. Most of his time these days are spent either with his family or at Kame House where he has begun to wind down his martial arts training.

1 – [assured] “Don't worry, Goten! I completely understand you!”

2 - [confident] “Sure, I do! I've been experimenting with my look myself lately! However, in my case, it turned out the original was always best!”

3 – [motivational/slightly frustrated] “Come on, Goku! We're here to celebrate Yamcha's final game. He's retiring after this one.”

## Tenshinhan (M)

Age: 41

Serious, dead-pan and focused.

Tenshinhan is an ally and member of the Z-Fighters. He and his buddy Chiaotsu are devoted to mastering martial arts through discipline and tact. He is by far the most serious member of the squad and is rarely one for jokes or wisecracks. In R&R he is on the verge of setting up his dojo but needs to find the students and the money for it.

1 – [calmly confused] “I don’t think there’s much we can say...”

2 - [scolding, then calm] “Chiaotsu! It’s not about that...well maybe it is a little...but anyway. Are they home by any chance?”

3 – [knowing] “Resorting to cheap tricks, are we? I’LL SHOW YOU! DODON RAY!”

## Roshi (M)

Age: 350+

Wise, seedy and chilled.

Roshi is the oldest member of the Z-Fighters and has been their master for decades. Nowadays he is just chilling at Kame House and chooses to concentrate on...adult material rather than better his fighting skills. In R&R he is pretty much the same as he is in the original.

1 – [confused] “\*clears his throat\* Are...are you sure you’re asking the right crowd, kid?”

2 - [wise and old] “Listen, boy. \*sunglasses flash\* I’m gonna tell you what I told your father many years ago. A lesson he should’ve kept close to his heart.”

3 [casual] “See you around, little Goku... I mean, Goten!”
