<b>Resource</b>	<b>Specific Needs</b>	<b>Where to obtain</b>
Costume	Black or dark coloured hoodie to obscure the identity of the character of the “murderer” Casual clothing is also important for the other characters in the film	This is a very common article of clothing so can be found in many clothes shops and in my wardrobe The actors can also bring their own clothes on set to play the characters
Recording Equipment	Camera and dedicated microphone to record high quality video and sound. The dedicated microphone is needed to record wild track and dialogue and the camera is used to record the acting	These can be obtained from the school for rental
Editing Equipment	Final Cut Pro or any other available Non-Linear editing software to enable me to edit the digital files that I record, together into a final version	Final Cut Pro is available on the Mac computers in the school but other Non-Linear Editing software is available for a trial period online.
Sound and Visual Effects	Sound effects (e.g. Foley) Dialogue Diegetic Music	These can be obtained from programs like Final Cut Pro, or created and recorded by me using a device like an iPad or dedicated microphone
