

## ~ THE CHEF'S CODE ~

- *Make vegetables hot and keep fruit cold*
- *Seriously, nobody likes hot fruit*
- *ANY liquid in a bowl can be sold as soup*
- *Accept every cooking challenge*
- *Never utter the word "mayonnaise"*  
*Acceptable synonyms-remoulade, aioli, creamy-cream-a-roux*
- *If it's brown, cool it down! If it's yellow, you've got a custard, fellow!*
- *When in doubt, grill a trout*
- *Protect butter's reputation*
- *Keep your sweet tooth away from your salt molar*
- *Whisk dries*
- *Blend wets*
- *Don't trust smooth food*
- *Don't look at the oven*
- *Never eat a hot dog on purpose*
- *Keep savory dishes devoid of raisins- currants are the future*
- *Always use more butter than the recipe calls-for*
