JinBop controversies Since August 10, 2016, Jin has stopped uploading, and his fans had been seeking to contact him via social media. Scarce, a YouTube news channel, uploaded a video on September 9th 2016 in which JinBop was associated with child pornography and the production of child pornography. Scarce and his team discovered that Jin's real identity was in accordance with court documents detailing JinBop's crimes and his detention. Scarce and his team said in the video that Jin's absence from YouTube or Twitter was due to his detention, detention court and court.

DramaAlert posted a video on their channel shortly after the news report was ripped down and cited Scarce. Scarce's video inspired a number of YouTubers, including Yammy Xox, CavemanFilms, and SkyDoesMinecraft to declare, "Wow ..."

- JinBop is well-known for his participation in video games including SkyDoesMinecraft, House Owner, and ThatGuyBarney. He used to record his videos alongside Adam, Ross, Barney, Tim Tim or TimDotTV (their editor), and Max or Mithzan (their other editor) in the Washington office, but he quit the Sky Media Offices to pursue a solo career. Jin, Adam, Ross and Barney create roleplays and determine when they will upload. One of their series is "The Crafting Dead." Nick started the "Role Play" series with GhettoGamer, AK, and 09Sharkboy in 2014. They met some people who are now members of the group, however other members are dead. - Furthermore, they encountered a cannibal Red (RedVacktor), who is their adversary. He was first encountered in Season 1 or 2. Nick and Ghetto encountered a girl named Jess in Season 3. She was a member of their team. In Season 4 they met a person named Barney and, when they met, Nick and the others were at his home without realizing it. Adam, Jin and Barney were in a show about pirates. Captain Jin's British ship, with First Mate Sky, Deckhand Barney, and Cabin Boy Ross. Jin assigned Sky to the night shift, and it quickly became a nightmare. Everyone else on board lost their lives when the ship hit an iceberg. They were left on an island and required supplies to survive. Jin, Sky, and Barney planned to go treasure hunting on the island. Ross was left in the refuge to guard it. They passed by skeletons on their journey to find riches, and came across a base packed with gold and skeletons. Jin thought it was a bad idea to stare at the skeletons as they might end up in the same situation if they stayed there. They returned to the shelter and saw Ross looking for assistance. He lit wood. - In 2015, JinBop joined SkyDoesMinecraft's SkyMedia firm. JinBop appeared in various videos until November 2015, when he decided to leave. On the channel of SkyVSGaming the most recent video was a GTA video. - JinBop announced in SkyDoesMinecraft's mail video on December 4, 2015 that he had decided to quit SkyMedia and continue on his YouTube channel due artistic differences.
