Re: Acct #*****

ATTN. Lien Enforcement, Incorporated,

I just pulled a copy of my credit report and noticed that your agency is reporting that I owe you a debt of "\$???" I was not aware of this debt until now, and under my rights under the FDCPA, I request that you revoke this debt.

This trade line should be rectified -- Acct #*****

Please reform the disadvantageous notation at once. If "Lien Enforcement, Incorporated" can't carry out this request, my civil reputation and privileges delineated by 15 U.S.C. 1681 et seq. are being abrogated.

TransUnion has already been alerted by "Dispute".

Thank you for your timely consideration.

Sincerely,
