

JESUS OF NAZARETH

By

Jack Griffin

Laid in a sepulcher,  
Hewn from stone,  
A king ascended,  
Unto his throne,  
A million teardrops,  
Inward groan,  
Oceans of time,  
Never alone.

Eagles on the breeze,  
Soul soaring free,  
Jesus of Nazareth,  
Took the load off me,  
Delivered from evil,  
Blind made to see,  
Rushing mighty wind,  
My faith 'tis of thee

Purify your heart,  
Cleave unto the lord,  
Salvation is a light,  
You will be drawn toward,  
Oracles of God,  
Spiritual accord,  
Tidings of great joy,

Mysteries explored.
