Hey Tallulah,

I'm off-site right now on a trip and I'm off-site tomorrow while Sophie has Drama period 1 and 2.

What you *could* do is pop in for 5 minutes tomorrow morning and enquire directly with her about her availability for the interview? Tell her I recommended her.

Hi Sir

Would you let me know what Sophie Beckett is available to do her interview, I was thinking possibly during her drama lesson?

However, you decide and let me know.

Many Thanks
Tallulah
