MANIFEST.

“the goal of ECOM is to become an official payment method within every ecommerce, making collaborations with the most important ecommerce creation platforms”

—

The ECOM team

this coin was founded to stop using traditional payment gateways when buying goods and services online, creators think this coin will become an official payment method.

What's ECOM (\$ECM).

it will become a stable coin for payments

Ecommerce payment

Total supply: 1,000,000,000,000,000

born on 04/09/2021

the strongest community you've ever seen

decentralized payments

CONTRACT.

CONTRACT

-

“0x7F74BcE5DBDA0D4950f2f842721Ae466CB8C62F8”

CONTRACT.

Our Smart Contract has a very unique game-changing feature for Binance Smart Chain tokens

We feature a reward/commission fee for transactions but such fee fades with time.

ECOM - \$ECM IS EXCHANGE FRIENDL

CONTRACT.

ECOM - \$ECM Binance Smart Contract

-

“0x7F74BcE5DBDA0D4950f2f842721Ae466CB8C62F8”

CONTRACT – HOW IT WORK.

ECOM - \$ECM

NO Contract owner

NO DEV Wallet

Ownership distribution is way cleaner

Than elite's favourite coins
