### REMINDERS

The Taste of Cherokee will be held from 4:00 – 7:00 PM. You can begin setting up as early as noon, but you need to be set up by 3:30 PM. You will be located inside the church near the event exit, with direct access to your vehicle for restocking. We will have one parking spot reserved for you near the church's main entrance. Any additional vehicles will need to unload then move to the designated "vendor parking" area of the campus.

You will be provided a 10x10 area along with a folding table and black cloth. The table choices are 8 foot or 6 foot based upon a first come, first served availability.

The event program will feature a card listing the Taste of Cherokee participants. With a punch we will provide, you can easily notate when someone has received samples from your vendor area. If you have an excess of samplings, it is your choice to invite them back to your booth.

With the 60 exhibitor booths, attendees, and volunteers, we are optimistic that approximately 200 people will join us for SchmoozaPalooza 2023.
