# Story

Once upon a time, there was a person named “Ali”. He was a very rich person. He was a billionaire, and he had over 100,000 billion dollars. He has a big castle and he also has twenty workers. 5 for cleaning, 4 for cooking, 1 was his minister and 10 were soldiers. But he was a very selfish, bad and greedy person.

One morning, Ali said, “Is my breakfast ready?” But the breakfast wasn’t ready yet so they took a little more time.

When Ali received his breakfast, he shouted at them, “WHAT WERE YOU DOING ALL THE TIME!!!! YOU GAVE ME BREAKFAST SO LATE!!!!” Then Ali

put four cookers in his jail for two days. He ate food from shops in these two days.

After two days, Ali took the cookers out of the cage. Then he saw that his bedroom was not cleaned yet. They cleaned a little slower today. Ali got very angry and shouted at them, “WHAT WERE YOU DOING ALL THE MORNING!!? YOU ALL ARE LAZY TORTOISES!!” Then Ali put them in his cage for two days.

His minister said, “But my lord, they are also humans. They can also make mistakes.” shouted at him, “Don’t come between a volcano and its lava! Otherwise, you’ll be burned too.” Then in these two days, mister cleaned his whole castle as a punishment.

After two days, Ali took the five cleaners out of the cage. When he went to the living room he saw, through a window, that his car had been stolen. Ali called all his soldiers and

shouted, “WERE YOU ALL SLEEPING FOR WHOLE NIGHT!!? MY CAR HAS BEEN STOLEN BY SOMEONE!” But Ali ignored him and put them in his cage for two days.

After two days, Ali took the ten soldiers out. The next morning, when Ali woke up. He saw that his castle was having a pin-drop silence. He went out of his room and saw there was no worker in the castle. Therefore, he had to do all things by himself. He made his breakfast easily, but when it was time to clean the castle, his head, back, feet, hands, arms and legs got pained very badly.

After cleaning the whole castle, he gets so tired that he just stretches out on his bed. At night he was so scared to live alone. He was a little bit crying and then he said to himself, “Oh, what have I done? Sweet heaven please give me my workers

back. I will never be able to be strict with them.”  
Then he slept.

The next morning after eating breakfast, Ali was watering the plants in the garden. He said to himself, “I wish that I could get my workers back. It was my mistake. I apologize. I will never be angry with them again.” Then someone said behind him, “Want your workers back?” Then Ali turned back and saw that he was his minister and other workers. He got very happy and promised to never be strict with them.

# A Rich Person

The A Story Books

## Summary

“Once there was a person named Ali. He was very rich but also an angry man. He becomes angry with his workers for small things. One day all the workers left their jobs and no one wanted to work in his castle. Then what???”
