

Smooth Pick Up Lines

Here are some of the top 40 pick-up lines of all time. Sure, they're cheesy, corny, cute, and even a little dirty (sorry, we couldn't resist throwing in a Harry Potter pick up line), but they're all funny, and a few are hilarious. And sometimes, that's all it takes to break the ice.

But don't worry, we've put together a list of the best pickup lines available. So, without further ado, let's see what we have to offer.

5. There is something wrong with my cell phone. It doesn't have your number in it.

8. I must be a snowflake, because I've fallen for you.
9. Are you from Tennessee? Because you're the only 10 I see!

They're an age-old art form that dates back to the Renaissance era, when men would write love poems to "woo" potential lovers. But, in today's world, do they ever work? They've certainly come a long way since the 15th century literary works!

Lines for picking up. We can all agree that they aren't the most endearing things in the world, but they are hilarious. In fact, some can be so bad that they almost pass muster.
