The highly anticipated fifth book in the bestselling Dark Verse series.

What happens when the most ruthless obsession finds its darkest fixation?

She lives in the shadows. He rules them.

She's the moon, and he the dark night encompassing her.

She's surrounded by demons, and he's the biggest devil of them all.

And she's his.

Passion, obsession, possession. Theirs is a tale of danger, deviance, dread, desires, and the darkest flavors of love.

Annihilation is born.

Disclaimer: This is not a standalone. The series must be read in order. Please read the author's note.
