Our Dedication

Mr. Dunham

Mr. Frank Dunham, our sixth grade science teacher for ten years, will be retiring on June 30, 1982 after 33 years of teaching. He plans to garden in North Carolina, golf, and "goof off" after retiring. His hobbies are golfing and making clocks. Mr. Dunham has been married for almost 35 years. He and his wife have 3 children, ages 21, 29, and 34. When asked if he's ever done anything besides teaching, he replied, "Nope." We would like to say, "thanks and good luck with your gardens."

Working together-

Getting it done!!

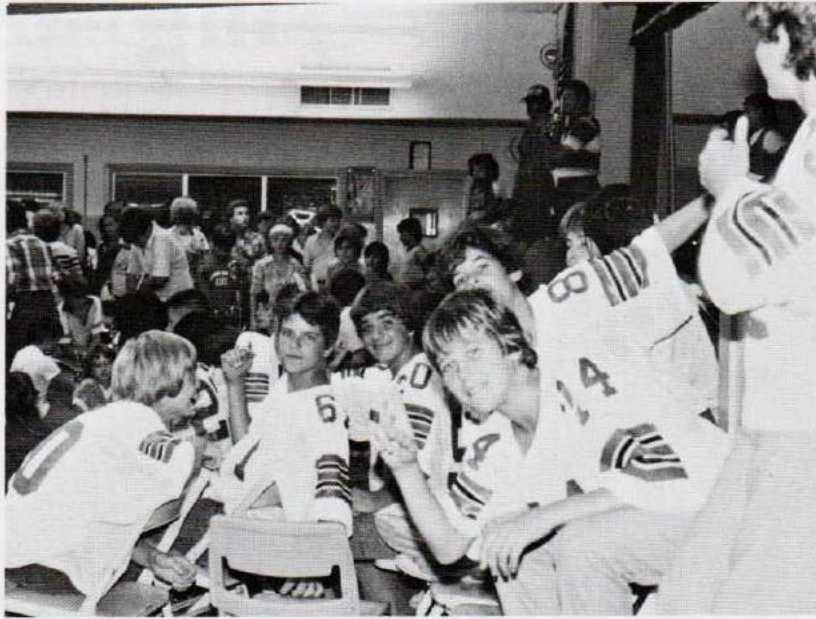

Remember?

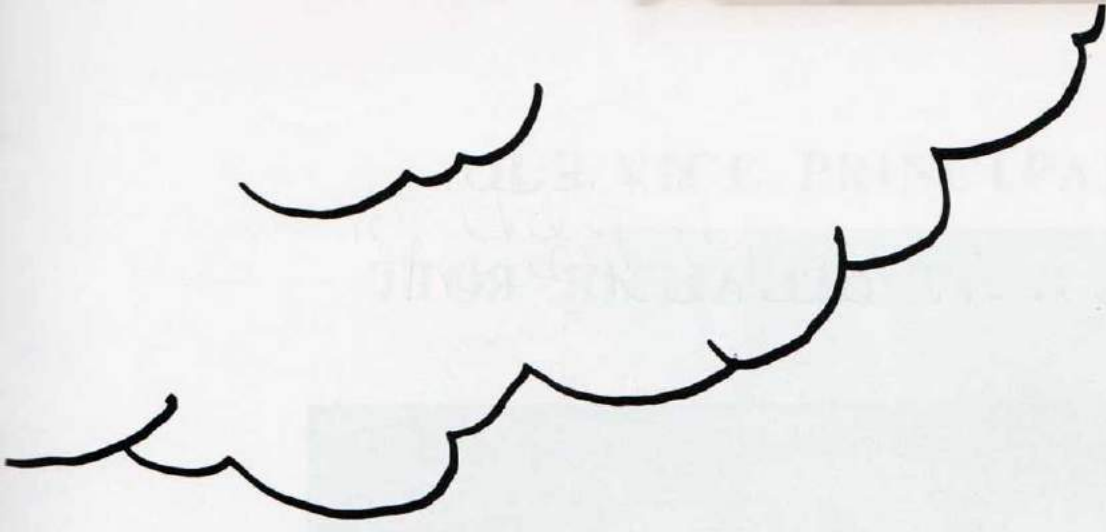

Remember? Sure you do, the good times, the fun, the surprises, but only some of them. Your yearbook will help you remember the rest. But did you ever stop to think about what goes into making this book? Well, it starts with hard work such as designing layouts, taking pictures, etc. It was all fun though. It ended up with this great yearbook!

Good luck in the future and KEEP SMILING!
