# SPONSORSHIP SCHEME

## PATELEY BRIDGE SHOW

I am sure that you will need no introduction to Pateley Bridge Show which continues to be one of North Yorkshire's most attractive events to rural and town dwellers alike.

What you may not know about is the show's sponsorship scheme which does two things. Firstly, thanks to individuals, companies and organisations contributing to the prize money available to competitors, the show is able to maintain an interesting variety of classes which helps ensure a large attendance. As a consequence, this success in attracting a large public and farming interest is reflected back to sponsors in the form of extra publicity through such as show schedules, catalogues and other public acknowledgements on show day. The show also, of course, offers the usual gesture of show passes and car parking facility to its sponsoring supporters.

If you or your company is interested in joining us please complete the form below and further information will be forwarded to you without obligation.
