Dear Miss Ana,

The Class IV-B is writing this letter to bid our dearest class teacher adieu. We were truly blessed to have an amazing teacher like you and we all are going to miss you.

We all want to express our gratitude towards you because you have been a great teacher, a wonderful guide and an understanding friend to you. This year was full of learning for us because you were always there to teach us good things with so many inspiring stories you shared with us. We are thankful to you for instilling us with good values. You were not just our class teacher but also a friend to each one of us and all the good things that you have taught us will always remind with us.

With a heavy heart and teary eyes, we bid you goodbye. We want to tell you that you will always be missed and we wish that you have a successful tenure in the new school you will be joining.

Sincerely,

Class IV-B
