Scoring Key (each character)	
Alive at the end of the episode	1 point
Alive at the end of Season 8	3 points
Rules the Seven Kingdom in the end	3 points
Rules one kingdom in the end	1 points
Kills a Tier One character	3 points
Kills a Tier Two character	2 points
Kills a Tier Three character	1 point

Technical Rules

- If someone turns into a WW (other than the Night King, obviously), you do N
- If someone is responsible for the death of one of the characters they get the
Ex: Danny ordering drogon to burn s
- If more than one parties are responsible for the same death, the points are c
Ex: Sansa sentences Little Finger to

NOT get living points BUT you get killing buckets

points. Responsible means that had they not taken that action, the character would not have died.

someone= responsible

divided evenly among all those responsible.

death, Arya executes him, they split the points.
