I Love Pakistan

Oh I love my Pakistan

Because it is the home of Muslims

It is a gift from Allah mighty to us

So now to protect it is on us

This country was made for freedom

So now we can do anything at the rate of random

So now we must take care of it

And that's why love Pakistan,

Oh I love my Pakistan

Because it has all types of lands

From hills, plateaus and mountains

To deserts, rivers and plains

And the beautiful Arabian Sea

And that's why I love Pakistan,

Oh I love my Pakistan

Because all cities have their specials
Like Islamabad is the Capital of Pakistan
Like Lahore has Minar-e-Pakistan
Like Karachi has the coastal area

Like Quetta is the cold area
Like Peshawar take us back to 539 B.C.E
And we love all cities don't we
And that's why I love Pakistan,

Oh, I love my Pakistan

And his neighbours are Iran and Afghanistan
And China is our best

But India is our enemy's best
We always hope to be better than the best
And that's why I love Pakistan,

Oh I love my Pakistan,

Because I live in Pakistan
I'm happy that I am in a free country

And everyone appreciates it happily
And we appreciate it on 14th August
And that's why I love Pakistan,

Oh I love my Pakistan,
I would like to show her leader
Quaid-e-Azam the founder
Allama Iqbal the urdu poet
In our eyes they all are great
And that's why I love Pakistan

PAKISTAN ZINDABAD!!!
