Decoder  
Native

The 2 boxes for **system volume** as highlighted can be ticked if you like but its optional I like to tick mine.  
Once done click on **Decoder** as highlighted.

User-Agent

Change system volume

Change volume by left/right keys

Play last channel at startup

Decoder

- Native
- Hardware
- Software
- HW+

Tick **HW+** as decoder. Note: This will give the best picture quality but may buffer depending on internet speed. This setting can be changed later to suit. If you have slow internet SW is best option.

Category: Factual Crime

Description: Key Salter and Ian Squire hunt for a man roaming the late-night streets with a machine while the Fiesta takes a pursuit off-road. Elsewhere, an uninsured boy rambles takes his mum's car out for a spin with his mates, but leaves a trail of destruction in his wake. In about a sharpshooter who is drunk and looking for a fight.(n)
