Risk	Who is at risk?	Level of Risk	Control measure to be implemented
Identify the hazard and provide a description of the risk •	Cast/crew/public?	L/M/H	How will you ensure that safety of your cast and crew?
Camera fall, the camera could be dropped.	Carlos	L	I will make sure the camera has straps on at all times,
Actor could be hurt	Parmveer	L	I will make sure that any scenes which imitate physical contact do not go wrong so I don't hurt my actor.
SD card could be lost	Carlos	L	I will make sure to be aware of the card's location at all times.
Tripod could be damaged	Carlos	L	I will ensure that the tripod is always at a safe location and away from harm.
Camera could get lost	Carlos	L	I will make sure anyone who is using the camera always has it strapped around their neck and will not allow them to place it down.
Personnel may get lost	Personnel / Carlos	L	I ensured that recording locations were close enough to all my personnel.
