

SCOOBY INU!

WHITEPAPER

Introduction

Scooby Inu is a community driven Memecoin of Global value. It features the hilarious iconic character, Scooby Doo as its leading role.

Scooby loves snacks and when is a good boy he is rewarded with Scooby Snack Rewards!

The token is based on the Ethereum Chain. To support \$SCOOBY, we have an in-house Industry leading Marketing Team to drive it to success! We will ensure users have access to safe and completely decentralized finance, aimed at giving the power for wealth back to where it belongs – In the hands of the people. Through harnessing the complete potential of community, positive energy and the Power of Blockchain, Scooby Inu will be the next Meme Hero of 2023.

Aims

Marketing

Marketing and Partnerships will be a key focus of the project with many alliances already made. With the powerful connections we have made in DeFi, we can propel \$Scooby across the Market.

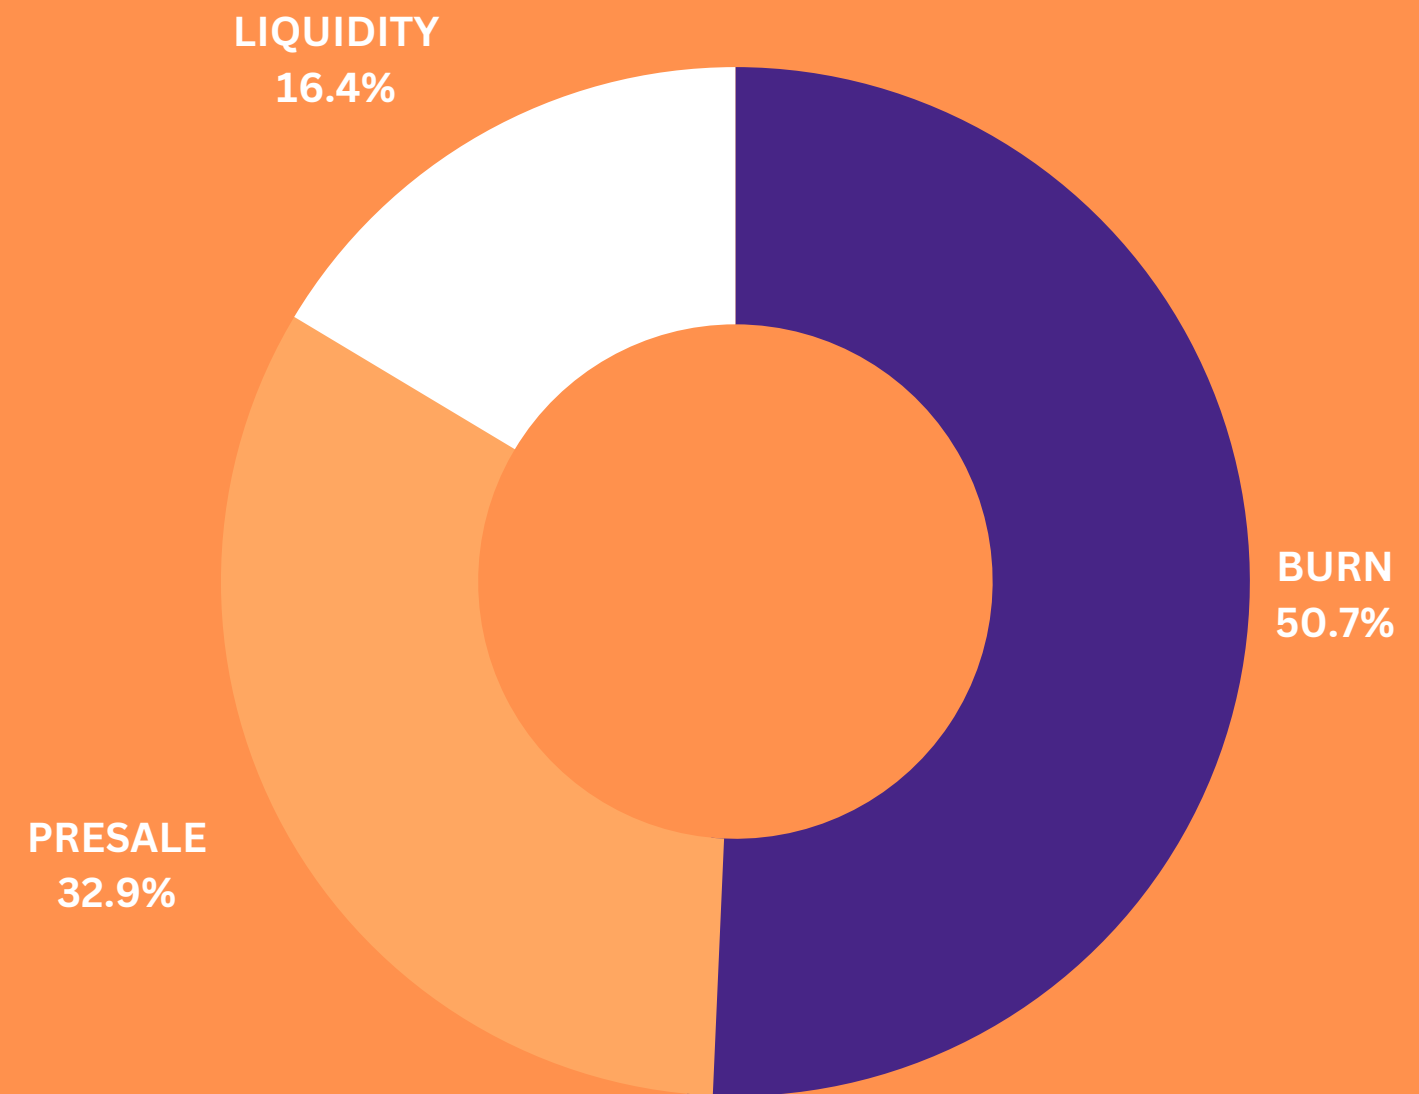

Project Aims 2

Community Building

We will use common industry methods and fun and engaging strategies to build our holder count and community. We will educate our holders with more knowledge on trading and how to best position themselves to benefit the project longevity and their wallets. Daily games, competitions and giveaways will be used to hold the attention of our holders.
