About the Fall/Winter *Royals* collection

T E L L A N D Y

**Andy Sheiza;**

I called this collection "Royals" because of the discrimination that is going on in the world today between people based on Race, Religion, Nationality , and many more.. I feel all people are the same , we were all created in God's image, we are all "Royals". We are kings and queens and we all deserve to be treated the same. We are all the human race.
