

Consent and Declaration Form

As part of your registration under the Canada Greener Homes Grant, **we are asking for your consent in five areas**. Please note the following:

- 1-3 are mandatory, meaning that we cannot complete your registration without your consent; and
- 4-5 are voluntary, meaning you can chose to consent or not.

We are also asking you to sign the mandatory declaration.

1. Sharing EnerGuide Evaluation Data with Partners

In the event that another federal department, provincial/territorial or municipal government, or a utility company that has an agreement with NRCan offers a homeowner benefit based on the NRCan assessment, I authorize NRCan to provide my personal information directly to this party.

Mandatory: Homeowner must consent to be eligible.

4. Consent to be Contacted by Natural Resources Canada

This is voluntary, so you can either agree to consent or leave it blank.

I give permission to be contacted by Natural Resources Canada or its representatives by phone, email, or other electronic means with respect to my experience with the Canada Greener Homes Grant to inform future programs and policies related to energy efficiency.

I acknowledge that I may withdraw my consent at any time by providing the required notice by writing to the Canada Greener Homes Grant.

5. Public disclosure of data

This is voluntary, so you can either agree to consent or leave it blank.

You are asked to complete this section whereby you chose whether or not you consent to publically disclose information about your EnerGuide evaluation. Your written consent allows NRCan to share and disclose your information on a publically accessible website that would provide information on your home's energy use. Go to <https://www.nrcan.gc.ca/energy-efficiency/homes/canada-greener-homes-grant/make-your-home-more-energy-efficient/register-and-book-your-pre-retrofit-evaluation/sharing-your-homes-energy-efficiency-performance/23486>

to learn more about public disclosure of your home's energy efficiency performance, including what is shared, the benefits of sharing, and how your personal information is protected.

My consent continues until NRCan receives notice from me that I have updated or withdrawn my consent to disclosure.

Declaration – Application to the Canada Greener Homes Grant (the “Initiative”)

As an eligible applicant to the Canada Greener Homes Grant, I declare and attest to the following:

- I am eligible for a grant under the Initiative;
- The application for the Canada Greener Homes Grant is communication between Natural Resources Canada and myself, and any documentation required is to be submitted to Natural Resources Canada by me, the Service Organization or the Energy Advisor(s) who carried out the pre- and post EnerGuide evaluation of my eligible residence (“Application”). I agree to provide any additional requested information and supporting documents needed to evaluate the Application;
- The information that I am providing in the Application is true, accurate and complete. I acknowledge that it is an offence to knowingly make false or misleading statements;

- I acknowledge that incomplete Applications, including a failure to comply with Application requirements may delay the processing of the Application or render the Application ineligible for payment under the Canada Greener Homes Grant;
- I acknowledge that the maximum amount of funding under this grant program is \$5,600, and that submission of this Application does not constitute a commitment on the part of Natural Resources Canada to award funding;
- I acknowledge that should the total funding for the evaluations and the energy improvements for which I am seeking reimbursement under this Initiative and from other sources exceed the total cost of the evaluations and energy improvements I have undertaken, Natural Resources Canada may reduce my grant accordingly; .
- I understand that grants will be processed and awarded on a first-come, first-served basis until all available funds for the Initiative have been allocated, and that no payment can be made under the Canada Greener Homes Grant if funding for the program is modified or terminated by Parliament.
- I understand that Service Organizations and Energy Advisors operate as independent businesses, and are not agents, partners, or employees of Natural Resources Canada;
- I acknowledge that Natural Resources Canada does not endorse the services of any contractor or builder; of any Service Organization or Energy Advisor; or any specific product, and accepts no liability in the selection of builders, materials, products, or performance of workmanship. I will indemnify Natural Resources Canada from any claim or cause of action arising from activities under the Canada Greener Homes Grant;
- I attest that the energy improvements for which I am claiming reimbursement have been completed;
- I acknowledge that in order to review any claims, Natural Resources Canada may contact my Service Organization, Energy Advisor, Contractor or any other third party to verify information provided in my Application.
- I attest that I have adhered to applicable laws, regulations, orders, standards and guidelines governing the activities related to the funding under which this Application was made;
- I acknowledge that I must keep all copies of invoices and receipts until March 31, 2028;
- I agree that Natural Resources Canada may request a full or partial refund of any grant funding if: I am not in compliance with this declaration; if the information provided in or in connection with the Application has changed in a way that affects eligibility to receive a grant; if the information I have provided is inaccurate, false or misleading; or that is in any way related to a change that will affect compliance with the Eligibility Criteria;
- I acknowledge that should a grant be provided, Natural Resources Canada may make my name and the amount awarded publicly available;
- I agree that this Declaration, together with my Application and Funding Approval Notice, form a binding agreement with Her Majesty the Queen in right of Canada, as represented by the Minister of Natural Resources Canada.

I have read, understood and agree to the Declaration above.
