"Digging Minecraft Style" & "Hey Sexy Piggy" Just made my day!

Don't even want to mention 1:54 in which the cowboy is introduced into the picture... I couldn't stop laughing at that point!

Diggin' Minecraft Style Minecraft Style

Digging a hole just one more time until I am able to score this Strike with diamonds, iron, gold and build our decked out fortress. All we require is a bit of luck to avoid this Runnin' low we can't afford this

Dungeons beneath here last time, a group of creepers walked out over there and drew the vein of diamonds, then chased us out of the area. A spider army fell down from the roof and into our hair Ran back to fresh air

This isn't your land You will be banned

Make sure you're prepared prior to your trip.

On the ground, we are layin' redstone through the forest to make wires for our monster traps so all the zombies will be able to ignore us. We constructed this city block by block and we do not welcome tourists but they still come lookin' for us

Like a sauna here . We constructed a portal to nether lava all over Zombie ghasts and ghasts flying all over, so walk with care Best you craft an armor piece and exchange it for the clothes you're wearing while you're the shady glare of this place.

Lava flowing the lakes are glowing down below, hey! You ought to go, but you're prepared, your arms are steady, grab your bow, shoot the fatal blow, hey

Run away now 'cause you missed that you were too slow

Dig more until you reach the Diamonds that are the core and that's all we're looking for.
Continue digging until you reach the central. Once you've found them, baby, you'll know that
it's time to the sky to soar. This isn't a game to play.
