

Answers about Minecraft Pocket Edition

There isn't a Pocket Edition mod. Minecraft may come out with them in the future, but for now, the only mods available are the ones that exist. [Read more](#)

Where can you find strings in Minecraft?

String can be obtained by killing village cats, spiders, dungeons chests and desert temple chests. You can also obtain it from jungle temple chests and chests with strong hold. [Find out more](#)

Minecraft Pocket Edition

What is pe Rattan?

Polyethylene Rattan, which is a kind of palm tree is a coated rattan. It is a very useful material since it is lightweight, durable and -to a certain extent in some cases- inflammable. [Chernobog](#)
