

Written 26 JULY 2020 by SameOldStranger, to be posted as Script Offer on GWA reddit  
Adjusted 27 JULY 2020, made slight corrections!

*Background: you're a highschool senior volleyball player, a close guy friend of yours (good friends since freshman year) says he has to talk to you about something really important after your volleyball practice. You agree, and have high suspicion hes gonna confess to you but he doesn't realize that you've had the same feelings for him too for the past 4 years...*

### SCRIPT KEY

**Yellow:** admin notes & environment noises

**Teal:** the Guy portion (added in at SOME parts, just to help you feel the story/conversation better)

**Regular text:** the girl (YOU!!)

**Red text:** suggested tones and sounds during your monologue, feel free to try it differently though!

**Blue text:** only small portion but for when you're "muffled"

Scene starts with sounds of gym, people running around, shoes squeaking, light chatter, then whistle blow.

(talking to self, while catching breath)

Thank God, practice is finally over! Now it's time for the talk...ugh but im so nervous too. And im sweaty and gross from practice. Aghh okay okay okay, you're fine, you look good feel good girl, you got this!

(some deep breaths, as gym starts to quiet down)

Bye guys, see you tomorrow!

(gym is quiet. Suddenly sound of door opening)

Oh hey! Hows it goin (nervous laugh)

(GR) – hey, it's going well haha its good to see you.

Its good to see you too! (excited) sorry I look like a hot mess (shy laugh) our coach made us run so many drills and then suicides at the end, ugh it was the worst (slightly embarrassed)

(GR) – no no no you look fine! If anything...you look pretty hot in that outfit, even if your sweaty...no pun in intended (shy laughter) sorry sorry that was a dumb joke...(embarrassed)

Oh you think I look hot in this outfit evn though im sweaty? (shy, slow, "really?" moment) Omg haha no you're fine! (grateful) i take that as compliment (cute, coy). Your honesty is cute, I really like that (shy but forward).

(GR) oh haha thanks (nervous, but more comfortable). Well, lets sit down and get straight to it.

Yeah yeah let's sit down and talk! (excited, slightly nervous)

## Footstep sounds, and then sitting down

So what did you wanna talk about?

## GR says hes nervous

(softly, understanding) haha its okay, Im really nervous too! But don't be, theres no judgement, just say what you gotta say! (sweetly) im all ears (cute chuckle).

## GR beats around bush, but confesses

Oh....oh wow...you've, liked me since freshman year?

No no no don't feel stupid!

You're not crazy I promise...bc I...really like you too (shy laugh)

## GR surprised, relieved

Wait you've liked me since freshman year too!? So we've liked each other all this time...but neither of us said anything to each other....haha omg we're both such wimps haha

## GR embarrassed

No no you're fine, im just teasing (flirting, kindly)

(softly, like drawing closer physically) if anything...im really glad you finally said something...bc I know I would've been too scared to

## GR nervous

Don't be nervous, silly (softly, warmly) The beans are spilled, and its been lonng overdue.

I always thought you were such a sweet guy...always getting along with everyone, and also always involved in so many things...football, track, volleyball, student government, music club, theater, idk how you do it!

Huh? Of course I noticed all these things silly haha.... Ive, um...had my eyes on you since freshman year too.

How...friendly you are. How...talented you are. How.....handsome you are. (shy/nervous laugh). Is that weird to say? (embarrassed) geeze I must sound lika creep

No no, I really mean it, really (softly, kindly). And I've always, really wanted to know something...(soft, slow, building anticipation). You wanna know what it is? (softer, slightly seductive) I really wanted to know....what itd be like...to kiss those lips of yours...

(starts kissing, very slow and gentle pace) – 5-7 seconds? Stops kissing, breathing gets slightly heavier.

Um...wow. I cant believe this is actually happening...ive wanted this for such a long time...with you...and its finally come true....

Fades off into more kissing 5-7, slighly faster, passion escalating, sounds of shuffling (they were sitting next to each other but suddenly she turns all the way and gets on top of him)

## GR – hes a bit surprised she gets on top of him

(Abrupt break from kissing, catching breath) um, oh my gosh, im sorry, idk why I got on top of— oh! Mm~

GR interrupts her by pull her in closer and kissing her.

More passionate kissing, breathing gets heavier 4-5secs

(Brief break, catching breath, soft but horny voice) hey, um, what's goin on down there...? I feel your boner on my ass haha (teasing, lovingly) no no, don't be embarrassed...I like how it feels on my...--

Theres a noise somewhere, bang of metal object/door, she jumps/gasps slightly

Oh my gosh, if someone catches up making out in the gym we're gonna get in so much trouble! (soft, gentle, but mischievous) lets get out of here, im not done with you yet... (flirty soft laugh) Where should we go? Oh you know a place? Okay lets go! Lead the way mister (playful)

Quick footsteps, slight giggling

Okay, we're passing the cafeteria...those freshman are staring at us haha they're probably bc we're...hold hands ha (affirming, accepting) I like it.

Quick footsteps, sudden stop.

Wait...the bathroom! Omg there's no way, someone could walk-in on...

GR – no no not the regular bathroom...

oh wait the faculty bathroom? But you need a code...

sound of him punching in code, beep beep beep beep and unlock sound

oh my gosh you know the code to this?! How did you—oh! ~mm

GR pulls her into bathroom mid sentence, and starts kissing her again passionately, door close sound

(Slight moaning, heavy breathing, in btwn breathes) i...feel...your...boner...rubbing against me...and its making me...so...wet (moan)

(stops kissing briefly, catching breath, starts to talk slighty dirty, softly) so you think I look hot in this outfit huh? (kissing)

I bet you stare at my ass all the time in my tight...spandex.... (kissing)

i bet you never thought...you'd have the chance to feel my ass in this tight spandex, huh? (kissing)

well...today's your lucky day (chuckle).

(they were in face to face position, but she pushes him against the wall, turns around and begins to grind on him)

(softly, slowly) all you need to do...is stand against that wall...as I (moans) press my ass against your dick (moans). Does it feel...(moan) good?

Okay, now...(moan) I need your help. Take one hand, and you can grab my tits. Yeah yeah, its okay I promise its okay haha. Mmmm yeah, just massage them like that as I grind my ass on your dick (moan).

Okay, now take your other hand, and slide it down my tight, spandex shorts and ~ohhh (she shudders as he touches her vagina) (gasping) yes, just like that, play with me (moans)

(moaning as shes grinding him and hes fondling her tits and rubbing her pussy) you feel rock hard against me, and youre making me so...(moan)...wet (gasp) touching me like this...(moan)

(moaning heavier, horniness in voice) i...want you inside of me. I want you inside of me, I cant waiting anymore (moan), pull down my spandex and just stick your cock in me, please (slight desperation) (moan)

\*sound of him tearing her shorts\*

(shes surprised) oh shit wait what—

GR(he sticks it in with no hesitation, she wasn't expecting it to go in that quick)

~ohhh~ (painful but good at same time) ~~~fuck~~ ~uh/ow~~ (painful but good) fuck, no im okay, (soft laugh) I just wasn't expecting you to go in that fast...okay, just take it slow-- ~uuuh fuck~~ (she moans as he slowly goes in and out of her) yes, just like that...(moans)

(wet sound of going in and out? Maybe gentle clap sound of crotch against ass?)

(her moans are getting louder, hard to talk btwn gasps/moans) what?...im being too loud?...sorry I cant help it....it just feels too good (moans even LOUDER but then he puts her hand over her mouth, she gasps out of surprise but then keeps moaning) (laughs, in hand muffled voice) haha okay this works (moans)

(intercourse (lol) sound goes faster) (shes moaning with mouth muffled by hand, theyre approaching climax)

\*MM = mouth muffled

(MM) (not too aggressive tone?) (moan) oh yes, go harder, fuck me harder, pleaseee (moan) fuuuuck, shit I think im gonna (moan) cum..., sorry I'll try to be quiet (moan)

Fuck Pace noise quickens

(MM) (in between breaths/moans) cum inside me, yeah yeah its okay you can cum inside me, im on birth control, fuuuck im gonna—

(he takes his other hand and grabs her neck, choking her slightly)

(now muffled and being slightly choked) shit okay, this got more interesting (moan) fuckkk im really gonna cum, you are too? Okay okay okay, fuckkk, okay, shit im gonna cum~~! (she climaxes mouth muffled and choked, trying to be quiet but quite impossible?).

(after climax, heavy breathing, he lets go of her mouth and neck)

(laughs) thanks haha. Shit, that was amazing...I cant believe that just happened (positive disbelief).

Come here (they kiss for a bit) (they laugh quietly).

Do you think anyone heard us? I guess its good we did this after school aaand after practice haha. Okay, lets get out of here (sweetly). Wait, shit, you ripped my spandex shorts! Hahaha you horn dog...its okay, it was my fault anyways (cutely). Okay, just look out into the hallway for me, and if its empty we'll run to the lockers together!

(he opens door, slight pause) Is the coast clear? It is? are you sure? Aghhh okay fuck it lets go!

(running footsteps, door closes and laughing fades off into distance).
