

Shalom to the Bride of Christ round the world.

There is at these present times a serious shaking among the followers of the ministry of William Marrion Branham, most especially because of the present stand of Pastor Moses Alu of the Bride Assembly Lagos church as regarding William Branham's ministry, saying Branham didn't bring anything new.

I completely agree because the facts are there to back this up. After much research, I can clearly say that despite being used mightily by God to call our attention back to the bible and promoting the bible as the absolute, William Branham didn't bring anything new. Below is a list of several monumental teachings and their origins ascribed to Branham alone:

The seven seals was preached by Clarence Larkins in 1889 in the sermon: The book of Revelations.

It was preached by Branham in 1963 - the seven seals

The seven church ages was preached by Clarence Larkins in 1889 in the sermon: The book of Revelations.

It was preached by Branham in 1960 by same title

The future home of the heavenly bridegroom and the earthly bride was preached by Clarence Larkins in 1889 in the sermon: The book of Revelations

It was preached by Branham in 1964 by same title

Daniel's 70 weeks was preached by Clarence Larkins in 1918 in the sermon: The book of Daniel

It was preached by Branham in 1961- Daniel's seventy weeks

The thinking man's filter was preached by Billy Graham in 1960.

It was preached by Branham with the same title in 1965

Pyramidology where Branham cites all his stuff about the pyramid from was preached by Charles Taze Russel in 1870

Also Branham picks several stuffs about the Laodicea church age messenger from him in his book in 1886- the plan of the ages. Branham referenced these throughout his ministry. Charles Taze Russel also

said he was the messenger to the Laodicea church age

The Antichrist from Hilsop two Babylons (1858) and from the writings of Ellen White 1888.

Branham referred to these always

As the eagle stirs her nest was preached by C.L Franklin in 1953 it was preached and popularized by Branham to a white audience beginning from 1959

Oneness and water baptism in Jesus name was preached by Garfield Thomas in 1913, it was part of Branham's understanding of the godhead throughout his ministry

Valentinus and Philip early church fathers, preached the serpent seed doctrine between Ad 100- Ad 160,
The modern versions of the serpent seed doctrine were developed within the teachings of British Israelism by C. A. L. Totten (1851–1908) and Russel Kelso Carter (1849–1928). Daniel Parker (1781–1844) was also responsible for reviving and promoting the doctrine among Primitive Baptists.

In 1910, Benjamin Purnell from the House of David in Benton, Michigan published a book entitled, "The Star of Bethlehem" which contained details of the Serpent's Seed

It was preached by Branham in 1958.

In conclusion, when we say a man is a messenger, it is alien in Christianity to focus on the messenger, as Apostle Paul said in the scriptures below:

For while one saith, I am of Paul; and another, I am of Apollos; are ye not carnal? Who then is Paul, and who is Apollos, but ministers by whom ye believed, even as the Lord gave to every man? I have planted, Apollos watered; but God gave the increase. So then neither is he that planteth any thing, neither he that watereth; but God that giveth the increase. Now he that planteth and he that watereth are one: and every man shall receive his own reward according to his own labour. For we are labourers together with God: ye are God's husbandry, ye are God's building.

1 Corinthians 3:4-9 KJV.

I agree with Pastor Moses Alu that our emphasis should never be on the man, but on what God is doing.

I agree with Pastor Moses Alu that we should all stop this argument about William Branham being a prophet messenger, a star messenger, etc, let's not start building a tabernacle around him, he preached beautiful things that are still blessing our souls today, our emphasis should be on the messages he preached, not any claim or office ascribed to him
