Nintendo expanded its online service to include a second layer. Known as the Nintendo Switch Online + Expansion Pack, this more expensive subscription service grants you access to an increasing selection of Nintendo 64, Sega Mega Drive, Game Boy, and Game Boy Advance titles in addition to all the benefits of a Nintendo Switch Online membership. This enhanced level of Nintendo's online service is only offered as part of an annual package that costs \$59.95, as opposed to a month-to-month payment option. As of this writing, a Nintendo Switch Online + Expansion Pack membership allowed you to play and download 29 Sega Mega Drive titles, 22 Nintendo 64 games, and 9 Game Boy games for free.

With the help of a Nintendo eShop gift card code generator, you can play these titles for free on a Nintendo Switch. This particular gadget may offer the user a number of benefits. The eShop offers over a thousand new, independent, and vintage games for purchase. These games are not limited to the Nintendo Switch, Wii U, or Nintendo 3DS for the user to enjoy. To get free Nintendo games for the Nintendo Switch, 3DS, and Wii U, you must utilize Nintendo eShop gift cards. These gift cards should be purchased from a retailer, while they are also available online.
