Day 3 Discussion – Whose Definition of "Culture" Do You Find Most Compelling?

Leader: What are the **implications** of choosing these different definitions of culture? How would these affect what would be included in the book, and what wouldn't be included in the book?

Which of the three speakers' visions for the book do you find most **compelling**, and why?

Possible response templates:

If we were to adopt _____'s definition, our book would include / not include _____ *(use subjunctive)*

I find _____'s vision for the book most compelling because _____

Grammar focus: subjunctive (*were, would, could*)
