

Title: What are the types of real estate properties?

Investopedia characterizes land as **"land alongside any long-lasting enhancements appended to the land, whether regular or man-made — including water, trees, minerals, structures, homes, fences, and extensions"**. The land is essentially the world's surface yet when man-made options are added, it turns out to be land.

Normally, individuals allude to resources, for example, furniture, adornments and whatnot as property however, just land is the genuine type of the property.

Land Classifications

By and large, there are 5 classifications in which land is ordered:

1. Residential real estate
2. Commercial real estate
3. Industrial real estate
4. Land
5. What's more, properties for different purposes

Land Properties Type in Pakistan

There are 6 classifications of land properties tracked down in Pakistan

1. Agricultural properties
2. Residential properties
3. Commercial properties
4. Industrial properties
5. Mixed-Use properties
6. Special Purpose and State Owned properties

1. Agricultural Properties

These properties are the foundation of Pakistan's economy. The **authority details delivered by the Public authority of Pakistan expresses that just about 60 to 70% of the populace's occupation** is straightforwardly subject to farming terrains and horticulture.

In the event that we see these properties from a land point of view, for smart financial backers, farming properties are significantly more than parcels to develop crops. These are the augmentations of commercial properties, truth be told.

There are further sub-classifications of horticultural properties including development ranches, farms, homesteads, and plantations.

2. Residential Properties

To construct or to possess a house is the fantasy of each and every individual. For certain individuals, it is the greatest and at times the main speculation of their lives, so this kind of land is with next to no misrepresentation the main kind of land in Pakistan. These properties give home to individuals; as clear by the name.
