

QUICK RELIEF SPRAY!! A LIQUID SALVE IN A BOTTLE!

An injury or strain can cause stiffness and discomfort. A deep penetrating salve is excellent, as noted earlier. A longstanding tradition in herbalism is to create “liquid salves” that act like liniments.

CORTESIA

HERBAL PRŌDUCTS

We formulated our Quick Relief Spray with incredible herbs and essential oils in an organic Witch Hazel base for immediate results.

1. Active and feeling a little muscle or joint strain as a result? Rub in a few sprays of for immediate relief.
2. Our spray is balanced so that it goes on cool and heats up when rubbed in — this is especially comforting and soothing to tissues.

3. Safe to use any time throughout the day.

4. Works very well with our other topical!

5. Small 2oz bullet-sized – for easy packing.
