

**Do you love animals? Join us at Ferrari Farms this Sunday (10/24/2021) for a Nevada Humane Society adoption event!**

Bring your own pet! A small group of UNR students will have a photo booth set up where you can take a picture with your own animal(s). They have created their own custom backdrop and the pictures will be sent to you at no cost! Donations are greatly appreciated and go directly to the Nevada Humane Society. Goodie bags will be given to adopters provided by the students!
