

Alice was following her old friend the White Rabbi when she arrived to Wonderland. The land was dead: grass was unfertile due to fires, the flowers were dying, the sky was grey... a mess.

ALICE

Why are we here?

WHITE RABBIT

The Caterpillar will explain everything.

ALICE

Where is he?

WHITE RABBIT

Somewhere.

ALICE

(Sighs) Let's go.

The rabbit led Alice to the Caterpillar's mushroom. It was a big pink mushroom. The Caterpillar was smoking a big cigarette. The White Rabbit jumped on one of the pink mushrooms.

CATERPILLAR

Good day, Alice... (Coughs)

ALICE

Good day, sir. Why did you bring me here? Is there something I can do for you?

The White Rabbit remained silent.

CATERPILLAR

Yes- as you know, I sent my friend Robb to you because my world is dying. The War of the Four Queens is devastating Wonderland, and you must help us to stop it.

ALICE

What? This is my first time in Underland! How is it's name? Fantasticland?

CATERPILLAR

No!

ALICE
Awesomeland?

CATERPILLAR
It's Wonderland!

ALICE
Whatever: Wonderland, Fantasticland,
Awesomeland, it's the same world.

CATERPILLAR
Shut up and listen to me. Well, the
Duchess, the White Queen, the Red
Queen and the Queen of Hearts are
warring for the control of Wonderland
and, but the Red Queen's Jabberwocky
is the most dangerous of all.

ALICE
What's your side?

CATERPILLAR
None. Our side.

ALICE
Continue.

CATERPILLAR
First of all, we need to kill the Red
Queen's Great Jabberwocky. The Vorpal
Blade is the only weapon able to kill
him.

ALICE
Where do I find that weapon?

CATERPILLAR
The Deep Forest. Rabbit is going with
you.

ALICE
I never agreed to do this!

CATERPILLAR
But you still want.

ALICE
Aye.

CATERPILLAR

Now, leave.

The White Rabbit jumped over and over again multiple times in some trees near them.

WHITE RABBIT

Follow me, Alice!

Alice followed him...

2 INT. ROBIN AND ALICE'S HOUSE - DAY

2

Alice and Robin are planning their wedding.

ROBIN

What if we hire those agrabish dancers from Regina's birthday?

ALICE

I'd prefer cameloti singers...

ROBIN

Maybe both!

ALICE

We don't have enough money to pay everything

ROBIN

Uhm... my aunt is the Good Queen, she'll help us. Plus, my mother is the Wicked Witch and the rest of my family are fairytales characters too.

ALICE

Damn I forgot about that! But we should celebrate it somewhere... safe.

ROBIN

What do you mean?

ALICE

I mean that there will be a lot of people following us and trying to see the wedding. I don't think the Royal Castle is a good place. Whoever may sneak in it.

ROBIN

Well, there's the Cupid Sanctuary. My

ALICE
Great! Guess we found the perfect
place.

3 INT. TIANA'S PALACE - NIGHT

3

ELLA and TIANA arrive to Tiana's new own restaurant, "Tiana's Palace". Ella sits in a random table, awaiting for Naveen. Tiana goes to the kitchen. Ella texts with Henry while her friend looks for Naveen. A few minutes later, Tiana returns with a worried face. Tiana explains Ella that Samuel Bryce, also known as the Desk Sergeant, told her that Naveen hasn't showed up yet. Tiana is worried because it was late and Naveen doesn't answer her calls.

TIANA
He's probably sleeping. Sometimes
he's... vague.

ELLA (ANNOYED)
I get it.

TIANA
Fine... I'm going... to his house.

ELLA
See you.

TIANA left her restaurant and went to Naveen's house.

4 INT. RONI'S - NIGHT

4

ZELENA and MALEFICENT are discussing about the Ugly Munchkin, Mombi's new bar.

ZELENA
Can you believe it? That bitch has me
sick! I wish I'm able to kill her.

MALEFICENT
Actually, you are able to kill her,
you just don't want to.

ZELENA
Shush.

MALEFICENT looked at her watch. She realised she was late for her first family dinner with Zorro and Lily.

MALEFICENT

BYEE!! I got to go! I'm arriving late!

ZELENA

But-

MALEFICENT teletransported to Tiana's Palace.

5 INT. TIANA'S PALACE - NIGHT

5

While ELLA was eating, MALEFICENT arrived to the restaurant. She walked towards Lily and Zorro. They were in a table eating sushi, Lily's new favourite food. Maleficent sitted between them.

MALEFICENT

Hello.

ZORRO

How you doin', Maleficent?

MALEFICENT

Good. What about you?

LILY

I'm fine.

ZORRO

So am I.

MALEFICENT (AFTER AN AWKWARD SILENCE)

So... do you have news?

LILY

Nothing new, except that I work at the Ugly Munchkin now. But you knew that, Mal.

ZORRO

Isn't that Mombi's bar? I don't like her. She's arrogant.

LILY

Yeah. I hate her.

MALEFICENT

I told you, honey, whenever you want I can make her dust.

LILY

No need. Now, tell us something,

ZORRO

Well, I'd like to know how you found me.

LILY

Well, Henry told us that he found Emma through a page called "WhosYourMommy.com", though we typed 'daddy' instead of 'mommy'.

MALEFICENT

I owe Henry a debt.

ZORRO (LAUGHS)

That's a funny name for that thing. How was that called? Invention? Computedow?

LILY (SIGHS)

It's Internet and Computer.

ZORRO

Whatever.

MALEFICENT

Well, I need food. Waiter, come here!

Maleficent ordered sushi, like her daughter and Zorro.

LILY

Tell us a story, mom.

MALEFICENT

Well, I can tell you when Robin Hood and Will Scarlet stole my castle...

ZORRO

Did you say Robin Hood and Will Scarlet? They sacked my hacienda!

MALEFICENT

REALLY!? They suck, but Robin's dead. Will Scarlet recently became the White King of Wonderland.

ZORRO

That asshole is a king now?

MALEFICENT

Sadly, yes.

LILY

Well...

ZORRO

After the sacking, they burned the hacienda, killing my family. That's why I became an outlaw, because I needed to survive without my money.

MALEFICENT

That's sad. They stole a Looking Glass from my castle.

ZORRO

I just had an idea... but I'll tell you later.

MALEFICENT

Fine...

6 EXT. DEEP FOREST, WONDERLAND - DAY - FLASHBACK

6

ALICE and the WHITE RABBIT were going to the heart of the Deep Forest.

WHITE RABBIT

This dragon is special. He's not only a Jabberwocky, he's the mightiest Jabberwocky ever... believe it or not, our land's Jabberwockies are one of the mightiest species in the world. The blade we're looking for is, as you may know, the Vorpal Blade. It is not a simple blade. It was made of the flame of the first Jabberwocky and the blood of the first Bandersnatch. You're special, Alice... you'll do great things in your life, and this one is only the beginning.

ALICE

That's-

A big smile appears in front of them, blocking the way.

CHESIRE CAT

Hi Robb!

WHITE RABBIT

Hello, McGee.

CHESIRE CAT

Are you looking for the Vorpall Blade?

WHITE RABBIT

Yes!

CHESIRE CAT

Follow me, please. Who is this girl?

WHITE RABBIT

This is Al-

ALICE

I'm Alice! Nice to meet you.

CHESIRE CAT

I'm McGee from Chesire.

ALICE

Excuse me, can you explain what Chesire is?

CHESIRE CAT

It's Wonderland's capital!

WHITE RABBIT

According to the White Queen.
Wonderland has four capitals.

ALICE

I get it. Lead me to the Vorpall Blade,
please.

McGee led the Rabbit and Alice to the Deep Forest's heart.
There was a rock with the Vorpall Blade in it.

CHESIRE CAT

Let's go, Alice! Free us all!

WHITE RABBIT

You can do it!

Alice stepped forward and she put her hands in the blade, but
when she was going to take the sword out of the stone, a
brunette woman showed up in the forest.

WHITE RABBIT

(CONT'D)

Look! It's Cecelia!

CECELIA

Here's my sword...!

Alice, McGee and Robb stared at Cecelia.

CHESIRE CAT

Actually, Alice was about to take it out. She's the one, Cecilia.

CECELIA

But... the Queen of Hearts said that she consulted a medium and that medium said that I was the one.

ALICE

Who's the Queen of Hearts and who's the medium?

CHESIRE CAT

Wait... don't tell me that Aria consulted *her*.

CECELIA

Yes, she did. She consulted Madame Leota. Well, time to take it out, right, Alice?

ALICE

Of course.

Before Alice put her hands on the blade, a dragon appeared behind them, incinerating a few trees. Cecelia unswinged her sword *Cinder* and fought against the Jabberwocky, while Alice was taking the Vorpall Blade out of its stone. The White Rabbit and McGee entered a Rabbit Hole quickly made by Robb. Cecelia cutted the Jabberwocky's tongue and hurted his left wing. The Jabberwocky screamed of pain and burned Cecelia's face. She fell to the ground, and Robb protected her behind a tree. That was when Alice finally, with a light aura, took the sword out of the stone. As she didn't know how to fight, she let McGee guide her. Alice ran to the Jabberwocky's right wing and hurted it, making him unable to fly. Alice finally cutted the dragon's head off, before he could burn her. Alice ran to Cecelia's arms, but her eyes were closed. Alice's face was sad and angry at the same time. Robb and Alice buried her body in that same place and McGee made an illusion of the Vorpall Blade on the stone. He also made the real sword invisible except for them. Alice randomly chose a way to the Queen of Hearts' castle.

WHITE RABBIT

Alice! Where are you going?

ALICE

I have a business with the Queen of Hearts! She murdered Cecelia!

CHESIRE CAT

Damn... Aria won't take this ok.

7 INT. ROYAL CASTLE - NIGHT

7

REGINA is writing a letter for MERIDA, as there's trouble in DunBroch with a wicked witch. Two guards enter the room.

GUARD #1

Your Majesty, the pale man wishes to speak with you, again. He's coming with his wife.

REGINA

I didn't know Dracula had a wife... let him in.

Both guards returned to the gate and let Dracula and his blonde wife in.

REGINA (CONT'D)

Good night, sir. I see you came with your beautiful wife.

DRACULA

Good night, your Highness. Yes, this is my wife. She's a bit shy, don't worry.

REGINA

Now tell me, is there anything I can do for you?

DRACULA

Well, she doesn't like that abandoned castle. She finds it creepy, dark and cold. I was wondering if we could make a trade. My castle for a new one.

REGINA

Well, considering what you gave me yesterday, I think it's a fair deal. Is she a princess or something?
