GETTING PAID IS ESSENTIAL TO YOUR BUSINESS.

BUT WHY STOP AT
CREDIT CARDS?

Make **More** Possible.

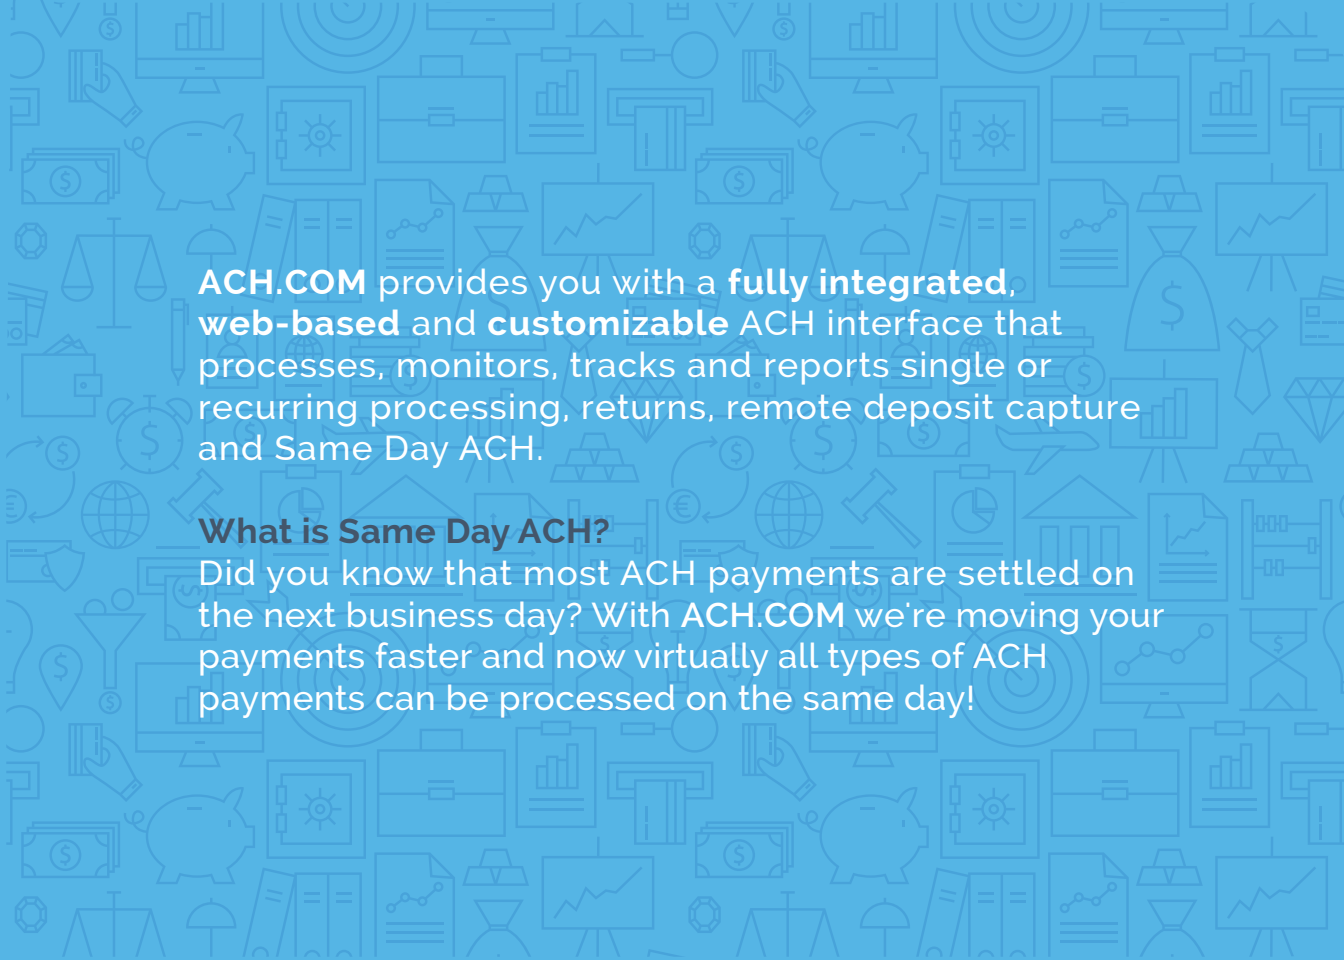

ACH Electronic Transactions | Remote Deposit Capture | Merchant Processing

WHAT IS ACH?

ACH (Automated Clearing House) is a **flexible** and **cost effective** electronic network used to transfer funds between the accounts of businesses and individuals. ACH automates common transactions such as depositing payroll checks, paying bills, making purchases, and transmitting funds.

ACH.COM provides you with a **fully integrated, web-based and customizable** ACH interface that processes, monitors, tracks and reports single or recurring processing, returns, remote deposit capture and Same Day ACH.

What is Same Day ACH?
