Run entirely by volunteers, **Blessings in a Backpack** is a program that sends 6 non-perishable meals home with students in need every weekend of the school year for the cost of just over \$100 a child. Started in 2005 in Louisville, Kentucky, the program is now in over 47 states and 1000 schools. In our own West Bloomfield School District, the volunteers pack over 200 bags of food each week for needy students.

All proceeds from **Trivia Night** will go to fund this worthwhile program. Get your tickets now by contacting katherinesheiko@hotmail.com, at www.blessingsinabackpackmi.org/events, or by calling 248 521 0074.
