

Risk Disclosure Strategy and disclaimer

SureInvest is committed to providing its clients with the best exchange devices, including initial referral for real-time exchange climate.

SureInvest does not watch or encourage speculation.

SureInvest allows you to exchange purely theoretical discussions that include a huge danger of misfortune. Such an exchange is not prudent for all financial professionals, so you must ensure that you are fully aware of the dangers prior to the exchange. You acknowledge that the exchanges you make with SureInvest may include budget instruments that: are not traded on any exchange or speculative transactions; Easily feasible enterprises. Administration-related hazards include: all assumptions can be dangerous, and the level of danger needs to be assessed and cannot be accurately determined in advance.

The exchange of financial instruments is generally viewed as involving a serious level of risk, in contrast to other major types of speculation, such as purported aggregate venture plans and commitments and value protection. We make no warranties or warranties regarding the display or performance of your Account with us or your speculations or any part thereof.

The valuation of speculation and the salary derived from it can fall as well as rise and is not guaranteed.

FOREX IS HIGH SPECULATION, CARRIES A HIGH LEVEL OF RISK AND MAY NOT BE SUITABLE FOR ALL INVESTORS. THE COMPANY MAY SUPPORT THE LOSS OF SOME OR ALL OF THE CUSTOMER'S INVESTMENT CAPITAL; THEREFORE THE CLIENT SHOULD NOT HAVE CAPITAL WHICH THE CLIENT CANNOT LOSE. THE CLIENT SHALL BEAR ALL RISKS ASSOCIATED WITH TRADING ON MARGIN. THIS IS CONFIRMING THAT IT IS INTENDED WITH RESPECT TO THE ABOVE RISKS.

Given the high risk of the exchange, we expressly make no warranties, EXPRESS OR IMPLIED, and do not guarantee that you will receive any benefit or that you will not lose any OR all of your DEPOSIT speculations.

In addition, SureInvest is not responsible for the accuracy of data or content provided by third parties, including the web page and data associated with or presented on this site. If you do not mind, please note that any use of the site and

administration is subject to the Terms and Conditions, which may be amended from time to time by SureInvest in its sole discretion. There is a possibility that in the exchange you can cover half or the absolute loss of your enterprise's subsidies. Whether or not you bring cash, you should be aware that the market can change quickly. Never trade for something you might lose.

AUP strategy

Important: You are hereby informed that any intrusion into this adequate usage strategy or in any way the control, mishandling or misuse of the SureInvest exchange web administration offered to people in general could cause huge sums of money and cause various harms to SureInvest and others to outsiders, including various clients and brokers such as you, and SureInvest will be entitled to seek any remedy available to it under this Agreement or the law, including injunctive relief.
