

GREGORS GOOTS

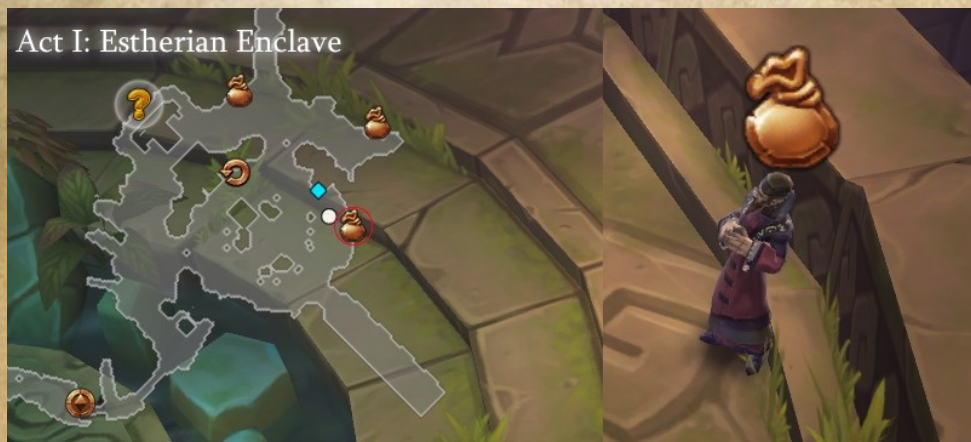

Hello Strangers,

welcome to Gregor's Goods, the merchant you will find in all worlds!

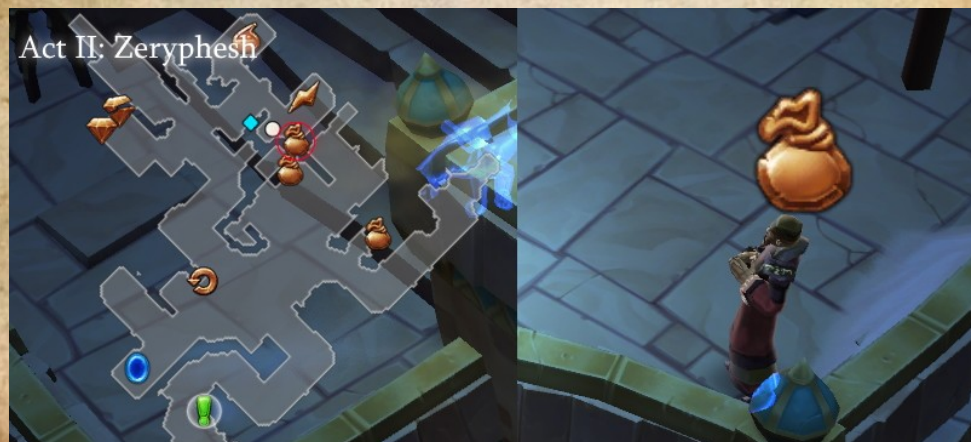

Gregor have many things, from herbs to food till trasures. You will find something you like!

Gregor can be found in the world of Torchlight 2 on this positions:

Act 1: Estherian Enclave

Act 2: Zeryphesh

Act 3: Imperial Camp

Act 4: Minehead

Mapworks

Gregor is designed for a harder gameplay, therefore some of his goods are very powerful and expensive. Furthermore it is now possible to collect herbs, plants, mushrooms and meals (and more) as a drop chance by monsters. This cool feature allows to craft potions. Potions are still in the game. The mod is completely modular, that means no Torchligh 2 gamefiles have changed. It is compatible with other mods.
