スワ スワ スワ スワ

Please hear what I'm going to say  
Crimson

Don't follow me !!

I don't know who crimson is !!

Anyway if I'm Dragon

But you sealed all of your power as King of Dragon, in exchange for having no weakness

That's true

I'll be burnt to death by this strong sunlight

Enough please

Now I'm going to head to hometown

I'm really grateful that you saved me

I AM WOMAN

I pray for your luck and safety

Please just do that [Dragon Slaying] thing by yourself

As you see

And also

OFF COURSE I CAN'T !!

You can just change your gender whenever you like

Please don't Follow me okay ?

As I thought

I wont be trusted that easily

Because he's also Dragon I despise him, and I will hunt him someday

I know from the future me

Crimson is complex

People  
that  
don't  
want to  
die will  
die  
someday

But as  
for  
Crimson  
, He just  
won't  
die

He's the  
one who  
fought  
together  
with the  
future me  
for the  
longest  
time

Hmm

Even if he just  
spout some  
bullshit, I say its  
quite interesting

I'm just  
interested

ability to  
control

Not  
that

Does  
crimson  
cyama  
believe  
his talk  
about  
Future ?

PURU

Can it be replicated by other human ?

Are there some kind of limitation ?  
How effective is it to use ?

That's the first time I saw it

How the mechanism works ?

To what degree that it can be used ?  
I really want to test it thoroughly

For the thing that I haven't seen, that power is really interesting

*What if its not that strong  
Crimson cyama ?*

Well

That is not so important anyway

And somewhat he seems to be trusting me

But If he really try to fool me, I'll send him to the after life

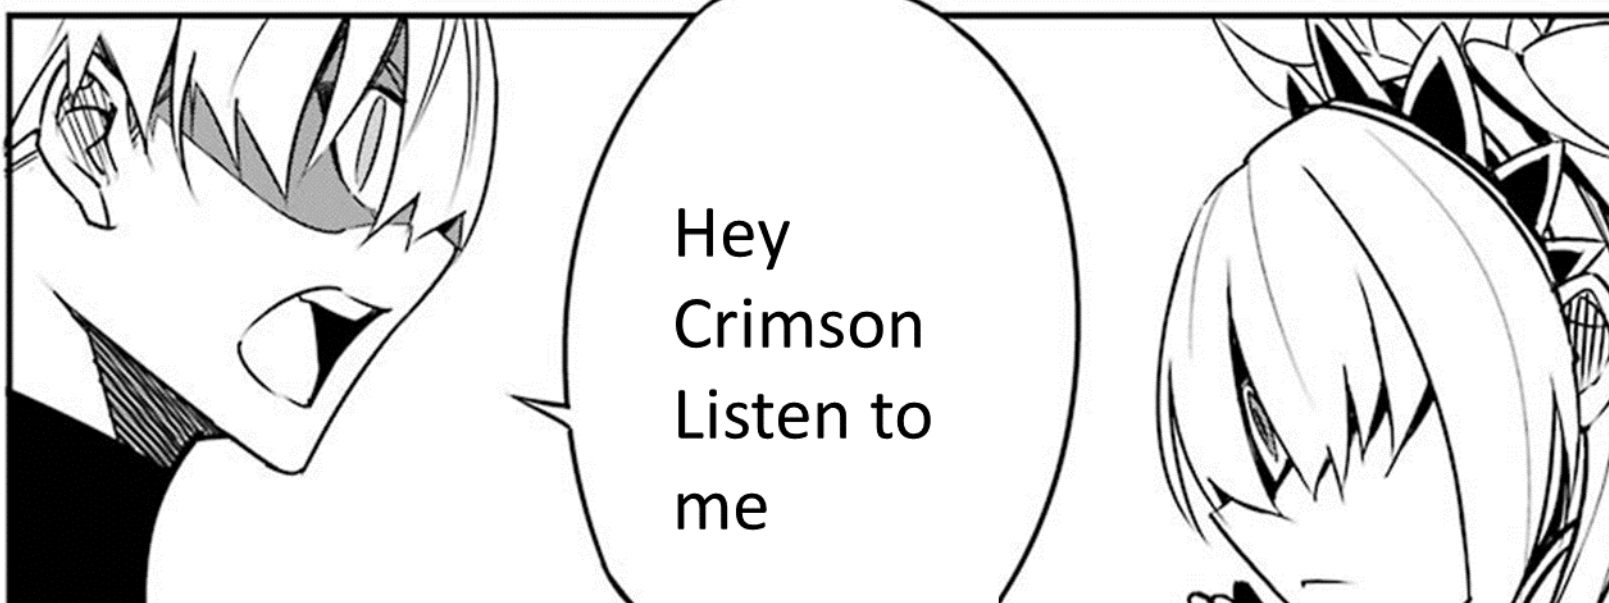

I can just kill him

If you know what I mean, just be quiet !

I understand, as expected Crimson cyma is really fearfull person syu~

... pururru

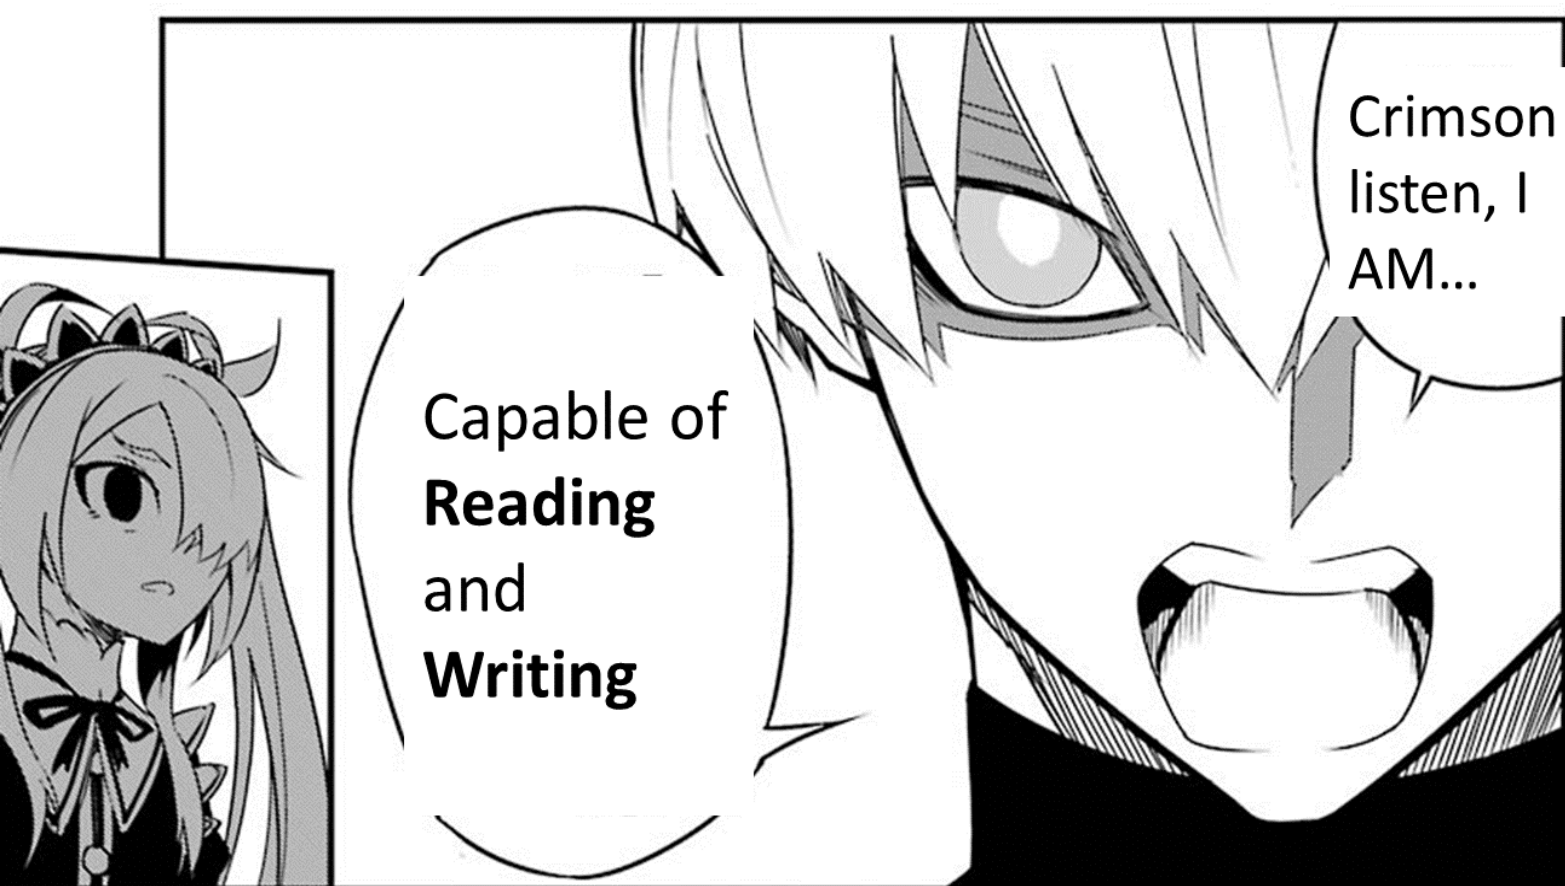

Hey Crimson Listen to me

I want you to hear what I'm going to say

What are you doing suddenly appearing in front of me ?

Ee.. Aa...  
..THERE IS NO CRIMSON HERE!!

Crimson listen, I AM...

Capable of **Reading and Writing**

I learned it

so I could be useful for Leo!

I can also count money

Reading and writing ?

Eh ?

.....

And I'm also confident at cooking Vegetable

I CAN COOK

I also do labor work too

Because Leo is not like eating that much

That's my favorite

My specialty is Cooking MEAT

I learned those to take care of everything around Leo

CLEANING, LAUNDRY, SEWING? LEAVE THAT TO ME!!

I have no idea what are you talking about

that I have  
done for  
the sake of  
Leo, I'll do  
that for you  
too

I'm sorry but, ITS DISGUSTING !!

I know it's no good to say this to the one who save my life but..

This man is really bad news

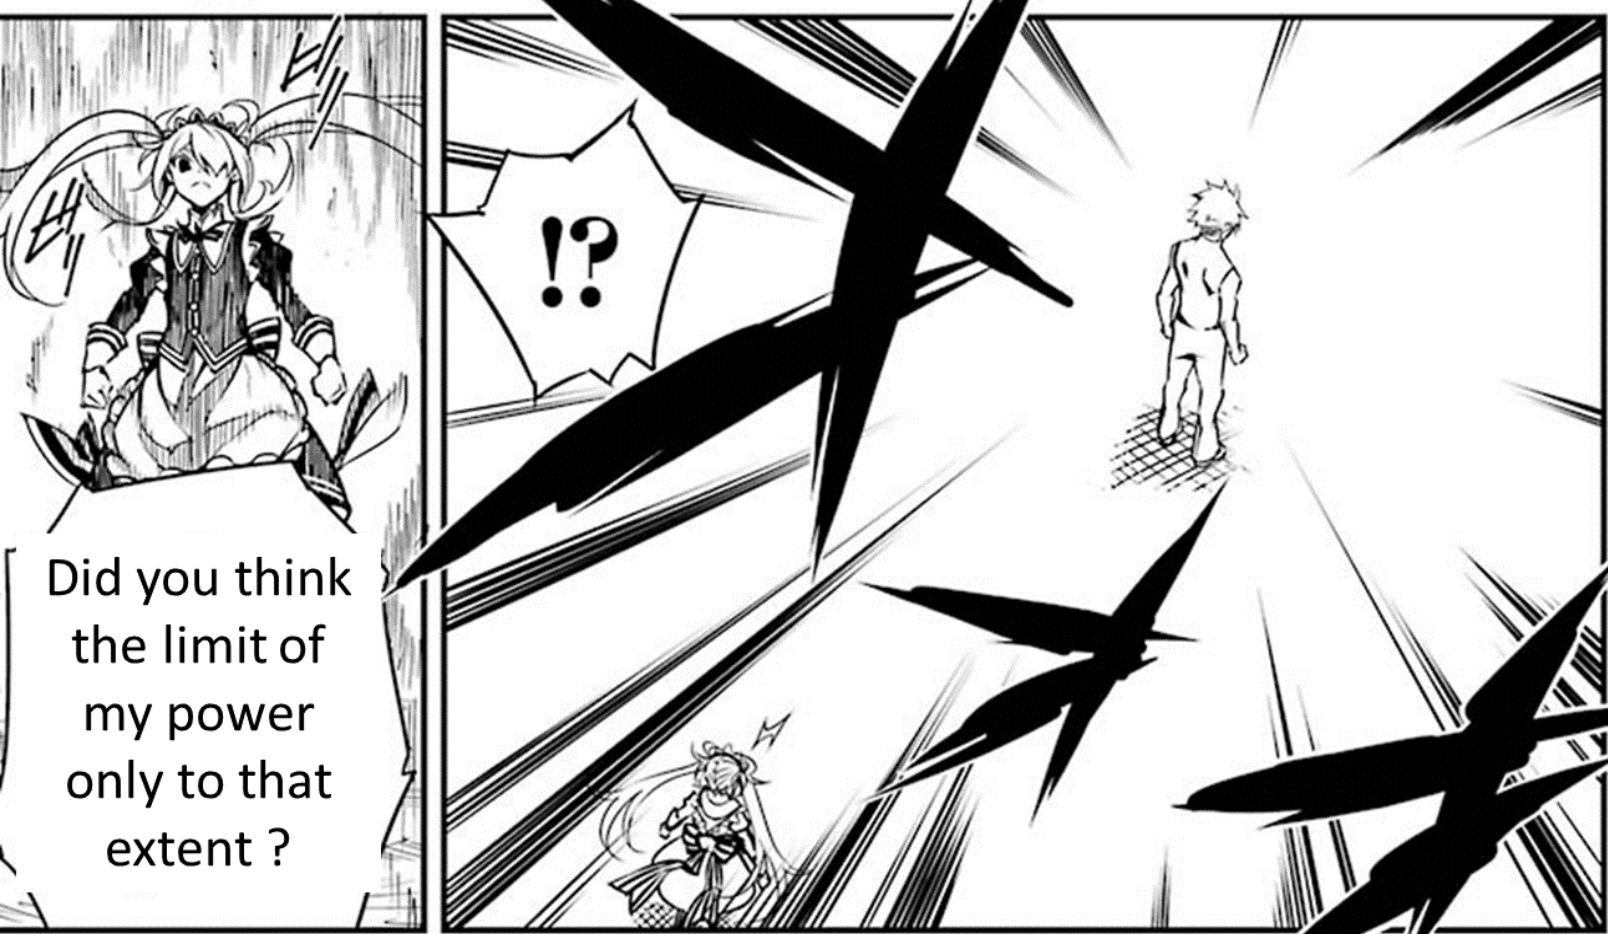

If I say this, what will he do ?

Enough.. I can't meet your expectation at the slightest, please excuse me

How many times I must said it, I'M NOT CRIMSON

How about it Crimson ?

ねむ あいだ からだ しら

2 things that I know from investigating his body while he's asleep

かんがえてみる

His body itself is not covered by Silver Aura

But as how the mechanism works is still remain unclear

銀ぎん剣けん  
Has become one with Silver Sword

His body

Much higher than I've thought

And as for his potential is...

Most likely he can kill higher class dragon without problem

I saw him instantly kill 8<sup>th</sup> Class Dragon but..

Being a human who surpassed the limit of one individual can do with strength alone

Or possibly 2<sup>nd</sup> Class Dragon

I WANT TO KILL!

In what way It can kill the dragon

I WANT TO KILL!

It's been a long time since I become this excited

I WANT TO KILL ALOT!

I WANT TO TRY IT

It is as if being forced to take the power of other people

Its really unnatural

Why that plain man have the power that surpassed the limit of human ?

Future huh ?
