

Privacy Policy

This Privacy Policy applies to the Self-employed developer, Joan Campos (collectively “Company”, “we,” “us” or “our”) and describes how we handle and protect your personal data when you use our services (“Services”) and the choices available to you.

Self-employed developer, Joan Campos built the app as a Free app. This Service is provided by Self-employed developer, Joan Campos at no cost and is intended for use as is.

If you choose to use our Service, then you agree to the collection and use of information in accordance with this policy. The Personal Information that we collect is used for providing and improving the Service. We will not use or share your information with anyone except as described in this Privacy Policy.

The terms used in this Privacy Policy have the same meanings as in our Terms and Conditions, which are accessible unless otherwise defined in this Privacy Policy.

Information We Collect and Use

We may collect the following information about you when you use our app:

- Information you provide to us directly: We may collect personal information that you provide to us directly, such as your name, email address, phone number, and any other information you choose to provide. Uses your email address only to respond to your communications on the official website or in form in mobile application but we can't identify users with email that was sent to our contact address.
- We collect information regarding the total sum of data transferred by all users of the app per country.
- We collect statistics to maintain our quality of service. We may know total statistics per regions and per servers but we can't identify this data with random users. We don't save and don't keep any data that can be uniquely identified with a specific user.
- We do not collect and use information about you and your device when you use our app, such as your IP address, device type, operating system version, and the dates and times that you access our app. It is important to note that it does not collect browsing history, traffic data, or DNS queries that could be used to identify any specific user.
- The app does use third-party services that may collect information used to identify you. Link to the privacy policy of third-party service providers used by the app: [Google Analytics for Firebase](#).

Links to Other Sites

This Service may contain links to other sites. If you click on a third-party link, you will be directed to that site. Note that these external sites are not operated by us. Therefore, we strongly advise you to review the Privacy Policy of these websites. We have no control over and assume no responsibility for the content, privacy policies, or practices of any third-party sites or services.

Children's Privacy

These Services do not address anyone under the age of 13. We do not knowingly collect personally identifiable information from children under 13 years of age. In the case we discover that a child under 13 has provided us with personal information, we immediately delete this from our servers. If you are a parent or guardian and you are aware that your child has provided us with personal information, please contact us so that we will be able to do the necessary actions.

Changes to This Privacy Policy

We may update our Privacy Policy from time to time. Thus, you are advised to review this page periodically for any changes. We will notify you of any changes by posting the new Privacy Policy on this page.
