WORK EXPERIENCE

IsFin – Emerging Markets Advisors   Brussels, Belgium
Junior Consultant Intern   January 2015 - October 2015
- Drafted a business plan for a web investment platform and prepared pitch books to leverage existing business units and expand partnership coverage for both law and accounting firms.
- Co-led the launch of a real estate business unit at the world's property market (MIPIM); actively acquired knowledge about real estate investment analysis and trained other interns in business development.
- Pre-screened and analyzed real estate investment opportunities and prepared investment reports.
- Conducted a strategic analysis to evaluate an international joint venture project.

Banque Populaire - Corporate Banking   Meknes, Morocco
Credit Analyst Intern   January 2014 - March 2014
- Performed in-depth credit analysis in line with the bank's internal policies.
- Conducted detailed analyses of industries, business plans, and financial reports.
- Prepared in-depth written evaluation of clients' financial positions and future outlook.

BMCI, BNP Paribas - Corporate Banking   Meknes, Morocco
Credit Analyst Intern   July 2013 - August 2013
- Assessed risk and credit worthiness on a mixed portfolio of Mid-Caps within the real estate sector.
- Evaluated financial information for trends in business, industry and economic conditions.
- Prepared summaries and assisted in the preparation of credit proposals.

Lafarge   Meknes, Morocco
Analyst Intern   May 2013 - June 2013
- Developed an issue tree and performed quantitative analysis to reduce transport costs through fuel usage analysis.
- Collected data to conduct an overtime analysis to optimize truck loading sequence.
- Conducted SWOT/sales analysis by analyzing weekly sales and identifying trends, customer behavior and macroeconomic factors.
