[23/05/2022, 15:26:08] James: Like that?
[23/05/2022, 15:30:16] Nazeel: Yes,
[23/05/2022, 20:16:47] +91 96528 16263: @James keep posting everyday on IG. Kindly be active until you get verified
[23/05/2022, 20:25:44] James: I don't think I'll be able to post every day, I won't have enough content 😞 I can try and post every few days though if that's good enough?
[23/05/2022, 20:41:24] +91 96528 16263: Hmm... Just post anything that you come across. Or post some entrepreneur idioms or quotes with your pic and hashtags
[23/05/2022, 21:03:23] +91 96528 16263: Kindly be active on Instagram. This will help you get verified easily.
[23/05/2022, 21:09:54] James: Okay, I'll try my best

[24/05/2022, 18:04:55] +91 96528 16263: Also the engagement is 0
[24/05/2022, 18:07:07] James: I bought a load ages ago from SMMLeader from BHW, but my order is finished, so I have no idea why I'm still getting new followers
[25/05/2022, 18:13:10] +91 96528 16263: Most of the followers are from Hookup sites
[25/05/2022, 18:23:11] +91 96528 16263: Your activity is low, you have to increase it. Either you can do it by hiring someone who can post and engage or I can hire someone to do it.
[25/05/2022, 18:51:52] James: How do I increase it, just buy posting daily with the tags you sent me?
[25/05/2022, 18:52:29] James: That's annoying about the followers, they were meant to be real 🙄
[25/05/2022, 18:53:10] +91 96528 16263: Keep posting your photos and your videos
[25/05/2022, 18:53:14] +91 96528 16263: and engage on them
[25/05/2022, 18:53:19] +91 96528 16263: or post captions

[21/06/2022, 11:10:55] Nazeel: We have applied your profile for verification.

[21/06/2022, 11:11:08] Nazeel: This is the final stage...

[21/06/2022, 12:07:19] +91 96528 16263: We applied for verification and I have already told you.

You must have got an email from Twitter saying that your profile is under verification

[21/06/2022, 12:07:58] +91 96528 16263: It's Twitter who has to respond. We have down our job

[21/06/2022, 12:08:12] +91 96528 16263: Just waiting for response from Twitter

[21/06/2022, 12:08:15] James: Twitter? I haven't had any email from Instagram

[21/06/2022, 12:08:19] +91 96528 16263: Sorry

[21/06/2022, 12:08:22] +91 96528 16263: Instagram

[21/06/2022, 12:08:49] James: You're job isn't done until it's verified or I get a refund as per our agreement remember.

[21/06/2022, 12:09:55] +91 96528 16263: It's done for now. If it doesn't gets verified then we have to more press

[21/06/2022, 12:10:13] +91 96528 16263: In better magazines like Forbes

[21/06/2022, 12:10:44] +91 96528 16263: Let's hope for the best

[21/06/2022, 12:10:52] James: Well just so you know, I definitely haven't received any email from instagram, I don't know it that's an issue or not.

[21/06/2022, 12:11:30] +91 96528 16263: But I did get a notification at the time of application

[21/06/2022, 12:11:59] +91 96528 16263: Kindly check your spam

[21/06/2022, 12:12:18] James: lol I have, nothing there either!

[21/06/2022, 12:12:49] +91 96528 16263: If you have linked your gmail then please look into promotional tab

[21/06/2022, 12:13:28] James: I'm not sure what that means, but I don't have a gmail, so I haven't linked it

[21/06/2022, 12:13:37] +91 96528 16263: Ok

[21/06/2022, 12:13:58] +91 96528 16263: But don't worry we have applied for verification already

[21/06/2022, 12:14:15] +91 96528 16263: On this day

[27/06/2022, 08:14:09] James: Hi guys, another week has passed, will it be verified this week?

[27/06/2022, 08:35:15] Nazeel: Hi James,

Sorry to say... Your account failed to get verified.

I was about to inform you 3-4 days earlier but i didn't because i was busy with other projects.

Here are the major reasons why your account isnt verified:

1- As we got a mail your account 98% fake followers, followers from low range profiles, bot followers, etc.

2- As I said earlier your engagement is very low and I informed you we will hire someone to increase engagement rate. Later engagement rate increased but that engagement rate is not enough to verify.

3- Your portfolio is soo weak. Because of this reason your GKP was failed once but did effort and did GKP again. Whatever we did it was very clear in between you and us.

To verify your account we need strong PR, need to remove all those fake followers completely, and need gain more organic followers by increasing your engagement.

Suppose if we do PR on Forbes still your account will not be verified because of above factors.

[27/06/2022, 08:37:45] James: Okay, so can you not get it verified?

[27/06/2022, 08:38:29] Nazeel: We can... But whenever we try remove all those irrelevant followers and again we are getting followers from the same source

[27/06/2022, 08:38:51] Nazeel: Last week your gained 500+ irrelevant followers

[27/06/2022, 08:39:14] Nazeel: Account*

[27/06/2022, 08:39:51] James: I've stopped all services on the panel when you said, so no idea why that is happening. I'll create a ticket with the panel to see why and ask them to stop

[27/06/2022, 08:40:27] Nazeel: Yes, please do that as soon as possible.

And let us know.

[27/06/2022, 08:40:36] Nazeel: So we can proceed further

[27/06/2022, 08:41:01] James: I'll do it with the panel now. So if you can get it verified, how much longer would that take?

[27/06/2022, 08:41:59] +91 96528 16263: James, you need to understand that you are an entrepreneur and it also means you are an influencer.

You got to have good engagement rate

[27/06/2022, 08:42:28] +91 96528 16263: The main issued we faced is the engagement rate and fake followers

[27/06/2022, 08:42:59] +91 96528 16263: and being an entrepreneur, you have to get yourself featured on top tier media sites like entrepreneur, forbes and others

[27/06/2022, 08:43:08] James: You need to understand that none of this was said at the start before I placed the order, so none of this is my fault 🙄

[27/06/2022, 08:43:24] James: I've had enough, just refund.

[27/06/2022, 08:43:29] +91 96528 16263: The main hurdle is to remove fake followers

[27/06/2022, 08:46:28] +91 96528 16263: Look, I might sound harsh but thats the fact. Extremely sorry and excuse us. we did our best in getting you verified. We listed you on the best influencer websites and press coverage. But we just lost with the followers and engagement.

[27/06/2022, 08:46:43] +91 96528 16263: so if this hurts then I am extremely sorry.

[27/06/2022, 08:51:50] James: It doesn't hurt. To be clear, I paid for this on the 11th April, and you said 28 days to get the profile verified. At the end of this week it's July. I've done everything you guys asked of me, and been very, very patient, however it feels like in another 3 months time the account still won't be verified, and there will be more excuses. If you can't give me an exact deadline now the account will 100% be verified, then as I said just refund my money.

[27/06/2022, 09:15:19] Nazeel: Yes, you paid us on Time but we are facing the same issues about the engagement and fake followers. These 2 things are making big issues here and the most important thing is we have shared you everything from the beginning and to here. To be honest we did very hard and even you know this.

[27/06/2022, 09:16:28] Nazeel: At present what am gonna say is we need to move top premium sites likes Forbes, Entrepreneur, and BusinessInsider.

[27/06/2022, 09:16:46] Nazeel: These top media publications will definitely helps you.

[27/06/2022, 09:18:28] James: With all due respect I don't know that. So as I've said, If you can't give me an exact deadline now the account will 100% be verified, then as I said three times now just refund my money.

[27/06/2022, 09:19:36] Nazeel: If we do top media publications than I can say your account will be verified.

[27/06/2022, 09:22:07] James: Okay let me rephrase the above... Can you give me an exact deadline now the account will 100% be verified? If you can't then as I've now said four times, just refund my money.

[27/06/2022, 09:29:55] Nazeel: Your account will be verified if we move towards top premium sites and about refund, we did much hard work to verify your account how can we refund whole amount? As we did GKP, PR, and all. You are asking refund like we didn't do anything, Each and everything we shared you.

[27/06/2022, 09:32:29] James: I'm not sure why you won't answer my question I've asked you three times now, if you can't answer it, then please issue a full refund as per our initial agreement.

[27/06/2022, 09:36:51] Nazeel: I will say you the exact time to verify but you need to clean your profile remove all those fake followers and make it clean like no fake followers should get again.

[27/06/2022, 09:39:59] James: Come on now, I'm not doing that, that's not my job. This is very disappointing, it appears we are not getting anywhere now unfortunately, despite me giving you so many chances just now. Please issue me a refund in full today before 5pm UK time. It's now 9:40am UK time.

[27/06/2022, 09:57:05] Nazeel: How can i make full refund as we did all these work for your profile?

[27/06/2022, 09:57:35] Nazeel: We did GKP, PR, and we worked engagement rate as well.

[27/06/2022, 09:58:26] Nazeel: We have done everything in front of you and now you are asking for refund, that too full refund?

[27/06/2022, 10:00:55] James: I've made my position quite clear, I paid to get the account verified on instagram, the other things have no value to me and I don't need any of that, it was only so you could get the account verified, which you've failed to do. So I will say nothing more on this matter. To be clear, please ensure you issue me a refund in full today before 5pm UK time. It's now 10:00am UK time.

[27/06/2022, 10:02:27] Nazeel: You should think without all those things how can your account gets verified? All those things are very important to your account not for me. Without PR and GKP how can anyone can verify your account?

[27/06/2022, 10:04:59] James: Well you didn't get it verified, so it's not relevant. If you would of just given me a date we didn't need to go down this path, but you gave me no date and started demanding I remove followers. Please make sure I have my full refund before 5pm UK time today. It's now 10:04am

[27/06/2022, 16:01:40] James: A reminder it's 4pm UK time now, please make sure I receive my full refund before 5pm today.

[27/06/2022, 16:46:31] Nazeel: Bro, you need to co-operate and I don't know why you are asking for Refunds all the time. I said I will verify your account guaranteed but I never said i will make refunds please read my chats on BHW.

Bro, no one will charge \$8k to verify an Entrepreneur account but I agreed only because of a review.

I kept everything clear in between us. we did hard to verify your account we did GKP, PR, and removed fake followers and many things even though you are going against. No one will guide and explain everything but we did. Having fake followers and low engagement is not our fault bro. Please try to understand and if any of my words hurts you I sincerely apologize.

[27/06/2022, 16:47:51] Nazeel: Many people charge \$2000 only for GKP, I never said you because I want to verify your account we have invested our money and I never asked you in between.

[27/06/2022, 16:49:41] James: I asked you three times to give me a 100% date the account will be verified, to yet again giving you more chances I was being more than fair with you. You were unable to give me a date. I have made my position more than clear, I expect a full refund by 5pm UK time, and it's now 4:49pm UK time.

[27/06/2022, 16:51:27] Nazeel: I said you 3-4 times as well we need to strong PR for your Profile like Forbes, Entrepreneur.com then only it will be easy to verify your account.

[27/06/2022, 16:53:38] James: We are going round in circles. I had no problem if you needed to do that, again I only asked you 3 times for a date for guaranteed verification, you didn't give me one. It's now 4:43pm UK time, I expect my full refund by 5pm today

[27/06/2022, 16:55:20] Nazeel: It will take nearly a month to get your article on Forbes so you can expect 1 month from now.

[27/06/2022, 16:56:38] James: So you are guaranteeing the account will be verified by the 27th July?

[27/06/2022, 16:58:22] Nazeel: Bro give me sometime I will discuss with my brother.

[27/06/2022, 16:58:55] James: How much time?

[27/06/2022, 16:58:54] Nazeel: Because am not the only one here.. Till now he managed your profile

[27/06/2022, 16:59:06] Nazeel: Bro, don't be hurry

[27/06/2022, 16:59:18] Nazeel: Give me sometime

[27/06/2022, 16:59:46] Nazeel: As you know Forbes publications is not easy and till now I did good PR

[27/06/2022, 17:00:14] James: No, give me a timeframe. I'm prepared to give you until 1pm UK tomorrow to talk with him, and confirm an exact date with me.

[27/06/2022, 17:00:58] Nazeel: For Forbes and Entrepreneur.com we need few more funds.

[27/06/2022, 17:01:10] Nazeel: I need to discuss with my brother about this

[27/06/2022, 17:03:39] James: Obviously I am paying nothing extra until verification is completed, and I need to know the cost of any additional funds beforehand. I expect to hear from you by 1pm tomorrow with a solution I find satisfactory, otherwise I want a full refund by 5pm tomorrow.

[27/06/2022, 17:06:48] Nazeel: Okay give me sometime. But promise me one-thing if we do Forbes and Entrepreneur.com you need to pay as am not going to charge any extra for you.

2nd how about those fake followers?

[27/06/2022, 17:09:42] James: If we agree the total extra to pay I give you my word I will pay after verification is completed, so that is something you do not need to worry about. I have no idea what to do about the fake followers, so you guys need to deal with that. I'll wait to hear from you before 2pm tomorrow. I think it's clear I'm a very fair person, but I won't be messed about.

[27/06/2022, 17:12:21] Nazeel: Remember if we use tool to remove fake followers we will loose GKP again. To get GKP it will costs \$2000. As per social media rule we need to remove slowly. This is not my fault right? So removing fake

followers is getting headache last time we removed fake followers and you profile got fake followers again.

[27/06/2022, 17:15:02] Nazeel: Please report them with whom you purchased those followers.

[27/06/2022, 17:15:06] James: It's not my fault, this should of been checked. I have created a ticket with the panel asking it to stop

[27/06/2022, 17:15:11] James: image omitted

[27/06/2022, 17:15:44] Nazeel: Let us know when they give exact reason.

[28/06/2022, 13:27:23] James: It's 1:27pm here now, I'm expecting to hear from you with a satisfactory solution today before 2pm UK time, as per my messages yesterday.

[28/06/2022, 14:34:25] James: It's 2:33pm now guys and I've heard nothing, it's not good enough. Please issue a full refund by 5pm tomorrow UK time.

[28/06/2022, 14:54:09] Nazeel: Hi James,
As we discussed earlier we started extra for your profile as per discussion yesterday.

I was waiting for your response did you get any response from that panel? So it will be easy to increase the engagement rate and for organic followers as well

[28/06/2022, 15:43:11] James: No I'm waiting for a date you can Guarantee verification for the account. Yes I have heard back, he is saying it doesn't effect it, he is also a BHW member. I'll post a screenshot of what he said. I'm not interested in getting in a blame game between you and him, that is not my issue.

[28/06/2022, 15:43:15] James: image omitted

[28/06/2022, 15:45:47] James: Unless your next message is a date you can give me for 100% guaranteed verification for the account, I am not entering into anymore pointless dialog with you, and I will expect a full refund by 5pm UK time tomorrow.

[28/06/2022, 15:56:20] Nazeel: If i do more PR even in top sites like Forbes and entrepreneur.com your account won't be verified only because of lack of engagement and fake followers please consider this as issue not an dialog.

Before starting the process i never am going to maintain your engagement rate and am going to remove fake followers and all. I said I will do PR and Verification.

This is not my fault right? and again you are asking refunds?

We spend money from our side to Remove those shity followers i never asked you about money for this. We worked on profile engagement even that's not our duty.

[28/06/2022, 15:57:52] James: You've not given me a date. Please refund in full by 5pm UK time tomorrow.

[28/06/2022, 15:58:28] Nazeel: How can I give you date bro? You need to stop those fake followers and then i can say the date

[28/06/2022, 15:59:36] Nazeel: You are not doing a single favor on us. You are just forcing to give refunds! To be honest no one will guide all these things.

[28/06/2022, 16:01:39] Nazeel: And one more thing never believe those smm panel service providers... On BHW every month 1 or 2 SMM service providers are getting banned.

[28/06/2022, 16:02:21] Nazeel: Because they provide very cheap service. In general it's like Negative SEO for your profile.

[28/06/2022, 16:02:55] James: I'm not entering into anymore dialog with you, I have been far more patient than most probably would have been. You have been totally unreasonable. I don't know or care what you mean about favours. I have literally given you so many chances to resolve this. You've not given me a date despite me asking a hilarious amount of times. Please refund in full by 5pm UK

time tomorrow.

[28/06/2022, 16:03:56] Nazeel: Is that my fault is having fake followers to your account?

[28/06/2022, 16:04:32] Nazeel: And what about engagement rate? Please don't tell me these are my faults

[28/06/2022, 16:04:40] James: No more excuses. Please refund in full by 5pm UK time tomorrow.

[28/06/2022, 16:05:31] Nazeel: This is not good thing you are doing bro

[28/06/2022, 16:05:51] James: Please refund in full by 5pm UK time tomorrow.

[28/06/2022, 16:06:28] Nazeel: I never said i will make refunds if i fail. I said i will verify your account guaranteed

[28/06/2022, 16:06:57] James: Please refund in full by 5pm UK time tomorrow.

[28/06/2022, 16:07:16] Nazeel: Bro, think it once what can I do? Those followers and engagement rate is effecting ur profile

[28/06/2022, 16:07:40] James: Please refund in full by 5pm UK time tomorrow.

[29/06/2022, 09:55:48] James: A reminder to refund me in full by 5pm UK time today. It's now 9:55am

[29/06/2022, 16:48:10] James: Final reminder, to refund me in full by 5pm UK time today. It's now 4:48pm

[29/06/2022, 16:49:01] Nazeel: We are discussing with Social media team we need 3 days.

[29/06/2022, 16:49:34] James: No, final reminder, to refund me in full by 5pm UK time today. It's now 4:49pm

[29/06/2022, 16:49:58] Nazeel: What about the work we did on your profile?

[29/06/2022, 16:50:27] James: Final reminder, to refund me in full by 5pm UK time today. It's now 4:50pm

[29/06/2022, 16:51:52] Nazeel: ??

[29/06/2022, 16:52:17] James: Final reminder, to refund me in full by 5pm UK time today. It's now 4:52pm

[29/06/2022, 17:05:12] James: It is now gone 5pm, and you have failed to refund me. It is clear that our communication has now irretrievably broken down, you have left me with no choice to take this further. I will no longer be replying to any messages you send me on here.
