PACKAGE

ONE

Community Spark: \$800

Our Community Spark package is ideal for those who are new to community management or want to experience our services without a long-term commitment. This one-month package is designed to provide you with the necessary tools and strategies to kickstart community engagement and growth.

Here's a more in-depth look at what's included:

1 x Community Manager:

You'll have a dedicated community manager who will act as the bridge between your brand and your community. This professional will manage daily operations, respond to queries, and foster a positive, inclusive environment within your community.

Content Strategy Planning:

We'll work closely with you to develop a content strategy that aligns with your brand's vision and goals. This includes determining the type of content that resonates with your audience, the optimal times to post, and the best platforms to use.

Regular Community Engagement:

Consistent engagement is key to building a strong, active community. Your community manager will regularly interact with community members, facilitate discussions, and manage any conflicts or issues that arise. This ensures that your community remains engaged, informed, and heard.

Daily Content Creation (1 post/day):

Our team will create and publish one piece of content per day as part of the content strategy. This could be anything from a blog post, social media update, or newsletter, depending on what best suits your brand and audience. Each piece of content will be designed to engage your audience, drive conversation, and promote your brand.

Basic Event Planning:

Events are a great way to bring your community together and drive engagement. As part of this package, we'll plan and organize one basic event for your community. This could be a virtual meet-up, a Q&A session with a key figure in your brand, or a collaborative activity. We'll handle all the logistics and ensure that it aligns with your brand and audience.

With the Community Spark package, you'll get a comprehensive introduction to our community management services and start to see the benefits of a professionally managed community. Let us help you spark the flame of engagement and growth in your community!

PACKAGE

TWO

Community Growth: \$1,500

Our Community Growth package is designed for brands ready to accelerate their community engagement and expansion. While retaining all features from the Community Spark package, we provide additional resources and strategies to drive growth, engagement, and brand awareness.

Here's a more in-depth look at what's included:

Everything from the Community Spark Package:

This includes 1 dedicated community manager, content strategy planning, regular community engagement, daily content creation (1 post/day), and basic event planning.

Additional Services:

2 Moderators:

To ensure your community is well managed and supported, two moderators will be assigned to your community. They will be responsible for maintaining a positive, respectful environment, handling member queries, and managing any conflicts that may arise.

Enhanced Content Strategy Development:

Building on the initial strategy planning, we will further develop a comprehensive content strategy tailored to your brand's needs. We'll delve deeper into audience analysis, platform optimization, and content diversification.

Increased Daily Content Creation (2 posts/day):

To keep your community engaged and informed, we'll increase our content output to two posts per day. These could be social media updates, blog posts, newsletters, or any other content forms that align with your strategy.

Engagement & Growth Strategies:

We will devise and implement targeted strategies to foster community engagement and growth. This includes activities to encourage member interaction, strategies to attract new members, and initiatives to promote your brand within the community.

Event Planning and Execution:

We'll plan and execute one significant event for your community. This could be a webinar, a virtual meetup, or a live Q&A session. We'll handle all the logistics, from planning to execution, ensuring the event aligns with your brand and engages your community.

Weekly Performance Report:

To keep you updated on the community's progress, we'll provide a weekly performance report. This includes key metrics such as member growth, engagement levels, top-performing content, and insights into the community's overall health and sentiment.

The Community Growth package is your stepping stone towards a vibrant, engaged, and rapidly growing community. Let's turn your community into a thriving hub that amplifies your brand's reach and impact!
