

Hi my name is Sitaux and I'm a Age of Empires 2 Pro player

I have been playing the game since 2015 and I've created my own methods to improve.

A lot of players think they can't improve and reach the top level but they are wrong.

I started the game as a beginner who had never played video games before but with good methods and the right way of thinking about the game it is really not that difficult to reach a high level. These are my methods and the correct way of thinking about aoe I want to teach you.

1st format: MONTHLY SUBSCRIPTION

- **Access to my students discord channel**
- **Unlimited aoe related questions**
- **Access to a complete guide to become a arabia pro**
- **Access to a guide to understand all the maps**
- **Weekly debates to think the right way to improve**
- **TGs with me**
