**HOW TO ENSURE A GOOD FIT** SARAs Fit Specialists and Quality Control teams are committed to ensuring that every style corresponds to our size charts. To ensure you receive styles that are just the kind of fit you like, please take a moment to measure yourself and then use these measurements to select the correct size for you.

Please view these key body measurements and our garment measurements, which vary according to style. When selecting your size, fit to the widest part of your body, choosing the size nearest to the widest measurement. For further info please visit our website or phoned our contact centre to talk to a Customer Service Representative.

**MEASURING TIPS** Garment sizes vary in size specific sizes depending on the style and your dimensions, but they will still fit the body size indicated.

**BUST** Measure around fullest bust and across shoulder blades.

Do not measure for tops and lower fitting dresses.

**WAIST** Measure around natural waistline keeping tape comfortably loose.

Do not measure for loose fitting skirts.

**HIP** Measure around fullest part of seat, approx. 22cm or 9" down from waist.

Do not measure for trousers, pants and skirts.
