I have no idea what he did to have his position and titles being stripped away but wow, the official announcement has finally been made. Heard there were already issues with him since earlier this year as the company I worked at was supposed to obtain his approval or the sorts but the govt body kept on informing us that he was unavailable.

[permalink](#) [embed](#) [save](#) [parent](#) [report](#) [give award](#) [reply](#)

That bolhassan one is the expired flour case
https://www.reddit.com/r/Brunei/comments/11sdsh1/malaysian_trio_charged_with_supplying_expired

But the "darker" story is different and talked around for months already.
