General English Course (60 hours)

Aims

The principle aims of the course are:

- To improve a basic level of English among students using advanced and interactive learning apps.
- To motivate students by teaching topics and subjects that motivate students to learn English in an easy and fun way.
- To build on and develop a basic level of English among students through relatable and useful topics.
- To encourage and support learners to use their English in a way that enhances their day-to-day experiences and benefits future prospects.
- To develop digital learning skills both in the classroom and through self-study.
- To complement existing interests, fit around studies and provide an additional, useful qualification.

Learning Outcomes

During this course you will:

- Develop across all four key skills; reading, writing, speaking and listening.
- Develop and use your knowledge of English grammar.
- Learn how to use new vocabulary on a range of topics.
- Be able to track your learning using the digital learning app. This will help you stay focused and motivated both in class and at home.
- Understand what you need to do next to improve your level of English.

After this course you will:

- Feel more confident in communicating in English both in the classroom and independently.
- Be able to talk to other people about different subjects.
- Be able to write your ideas clearly and accurately.
- Read different types of texts and answer questions about them.
- Feel more prepared to listen to and understand native English speakers through the listening tasks.

Content

The course consists of 30 topics which are all designed to be relevant, interesting and useful to learners.

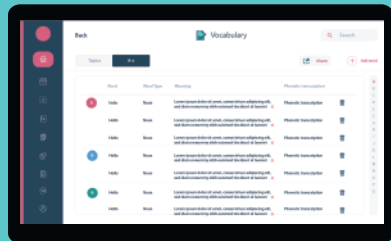

Topics for Elementary Level 1 include:

- Introducing yourself
- Family and friends
- Daily routine
- Eating and drinking
- Likes and dislikes
- History and past events
- Modern life
- The future
- Work
- Social Media
- Health
- Environment
- ... and many more

There is a topic-based integrated skills approach with an emphasis on students being able to use the language they need for communication while reinforcing basic grammar patterns for accuracy.

Each topic has specific aims and includes a variety of tasks which are all devised to improve your English in each of the four skills (reading, writing, listening, speaking) in the most efficient and enjoyable way.

For every topic you will be provided with clear instructions and sufficient practice through both the materials provided and a highly trained teacher. You will also be provided with supplementary grammar practice and have the option of further developing your academic English skills.
