

# Telecommunications Coordinator (Full Time, Athens)

**ARA HR Consulting Partners** is a dynamic company with vast experience and expertise in HR and Recruitment. We provide high-quality, reliable recruitment services to global businesses.

On behalf of our client, we are currently looking for an **FTTH Telecommunications Coordinator** for an ongoing project in Germany.

In this role you will act as their first level manager and will ensure that department milestones are met.

## **You will be responsible for:**

- Supervising and coordinating the Fiber Optic Network Deployment activities.
- Following up on the implementation process of the project in the field by keeping track of the number of appointments completed.
- Ensuring proper quality standards and adequacy of equipment for each Network deployment activity; giving crew leads direction regarding procedures, road safety, trench safety and general oversight, thus helping to maximize productivity and efficiency.
- Coordination between the Telcom Field team and the Survey engineer.
- Documentation and reporting of the overall connection progresses in premises of the subscribers.

## **To qualify for the role you must have:**

- ✓ Bachelor's degree in Engineering, Telecommunications or in another related technical field
- ✓ 2-4 previous working experience on PON deployment (Fiber optic splicing, cabling, PM measurements)
- ✓ Excellent command of the English language
- ✓ Good leadership & problem-solving skills
- ✓ EU Driver's License

## **Ideally, you 'll also have:**

- Proficiency with instructing others on the proper and safe use of tools including cable strippers, fiber hand tools, and electronic fusions splice machines and test equipment
- Good command of the German language (current level: B2)

## **What we offer:**

- Very competitive remuneration package
- Catered lunch benefit
- Opportunities to develop new skills and progress your career
- Continuous training and education programs
