- add unlimited diamonds

I wanted to present myself how to make the game easier at the beginning and get 14,000 Diamonds. A little bonus in the game, I think it will be a nice surprise at the beginning of the game.

Garena Free Fire MAX Mod is an action game released by GARENA INTERNATIONAL I PRIVATE LIMITED with an attractive survival style. This is considered an upgraded version of the famous Free Fire, along with that the game is designed in a modern direction, in order to bring interesting experiences to players. Since its launch, the gameplay has attracted more than 5 downloads and received nearly 200 thousand reviews from all over the world. Currently, the game is developed based on iOS and Android platforms, making it easy for players to access and especially to download for free. Besides, with the Mod unlock all will help you have the best experience when participating.
